March 10, 2015 3:00 PM- 5 PM

Location: 744 P Street, Sacramento CA 95814 - Room 1031 in Office Building 8, 10th Floor
Conference Line: 888-810-4932 - Participant Code: 6736716
Stakeholders are welcome to comment after each agenda item.

3:00-3:05	**I. Welcome** a. Introductions
3:05-3:20	**II. DHCS/CDSS Comments** Key components of proposal to CMS: • Voluntary for provider, only with permission of consumer/delegate. • Focus on training for providers of consumers with complex medical conditions or who otherwise may be at significant risk of avoidable hospitalizations. • The training curriculum, details around administration of the training, and assessment of the population to be offered the training will not be developed until further information and approval from CMS on the overall waiver renewal proposal. • Consumers, managed care plans, public authorities and other stakeholders will be involved in the development and implementation of this proposal, if approved by CMS. • The amount of waiver funding, if any, allocated for IHSS provider training has not been determined and will be based on federal CMS response to the overall 1115 Waiver renewal submission. • Stakeholders are welcome to submit comments to our waiver email inbox at WaiverRenewal@dhcs.ca.gov to be posted on the DHCS waiver website.
3:20-5:00	**III. Open discussion**
