All County Administrative Officers
All County Medi-Cal Program Specialists/Liaisons
All County Public Health Directors

Letter No.: 98-53

SECTION 1931(b) PROGRAM COUNTY TRAINING SCHEDULE

The purpose of this letter is to provide counties with a copy of the training schedule for the Section 1931(b) program (see enclosure). It will be necessary to read All County Welfare Directors Letter (ACWDL), Number 98-43, dated September 30, 1998, BEFORE the training session in order to participate effectively in the training. The training will be a working session. Please bring your copy of ACWDL 98-43, something to write on, paper and pens or pencils along with you to the training. We estimate that the training will run from 9:00 a.m to 4:00 p.m. each day.

A contact person and phone number has been listed for each session. Please call that person to make the reservations for your county, to obtain maps, to change the training locations, or to change the number of participants attending. Since all training materials will be shipped to the contact person at each location, we will need to know well in advance, how many packets to duplicate and ship to each location.

If you have any questions, please call Sharyl Shanen-Raya of my staff at (916) 657-2942.

Sincerely,
