ALL COUNTY LETTER AND INFORMATION NOTICE INDEX

Enclosed is an update of the 1982-1997 All County Letter and Information Notice Index which our office designed for internal use. We have been requested by some of the counties to share this information.

We find it helpful when we are unable to recall a specific number of a letter or wish to review all letters written on a particular subject.

Please be aware that many of the letters are expired or are no longer valid and should be used only for reference or for historical purposes.

If you or your staff have any suggestions on cross referencing, additions, or omissions, or any questions, please contact Marge Buzdas of my staff at (916) 657-0726.
