Letter: 87- 22

SUBJECT: NEW MEDS/CENTRAL DATA BASE (Food Stamp) LIAISON ASSIGNMENTS

This is to inform you of the Medi-Cal Eligibility Branch (MEB), Systems Unit, Medi-Cal Eligibility Data System (MEDS) and Central Data Base (CDB) liaison staff county assignments and to give you a brief reminder of the general duties of the Systems Unit. Enclosed for your information are names and telephone numbers of each staff person and the counties for which each is responsible (Attachment II). Please note the liaison for your county and contact him/her for any MEDS/CDB (food stamp) problems/questions.

The Systems Unit is generally responsible for the MEDS and other operational functions. With implementation of the Statewide Automated Welfare System (SAWS) Central Data Base (food stamp segment on the MEDS data base) now completed, the MEB, MEDS liaisons will be responsible, with the exception of those matters that would require you to contact the Data Systems Branch directly, for responding to any eligibility AFDC-Medi-Cal, Medi-Cal Only and Food Stamp system issues. Please note, to avoid confusion and the duplication of work, the county MEDS/CDB coordinator/liaison or supervisor, should be the person contacting the State MEDS/CDB liaisons.

Since some county welfare department's CDB liaisons are individuals other than the MEDS liaisons we are requesting completion of the attached contact sheet (Attachment I).

The enclosed organizational chart (Attachment III) identifies the functions performed by the Systems Unit staff in addition to their duties as MEDS/CDB liaisons. While this list is not all inclusive it indicates the types of functions performed and should help you in determining which staff to contact.

If you have any questions, please feel free to contact your State MEDS/CDB liaison.

Sincerely,

Frank S. Martucci, Chief
