TO: All County Welfare Directors
All County Administrative Officers

Letter: 87- 69

SUBJECT: COUNTY CONTACT LISTS

REFERENCE: ALL COUNTY WELFARE DIRECTORS LETTER 86-56

NOTE: This ACWD is only applicable to the County Welfare Department staff and County Administrative Officers. A separate letter will be written soliciting mailing list updates from individuals other than the above.

Enclosed is a copy of the MEDS County Contacts Phone List and a copy of our current county Mailing Address List. The MEDS County Contacts Phone List contains phone numbers for your use in contacting staff in other counties to resolve questions on such items as intercounty transfers (ICTs) or Social Security Number (SSN) conflicts. It also contains phone numbers for contacts in State Offices for MEDS/CDB operations questions or problems. This list will be reissued periodically as changes occur.

The enclosed Mailing Address List will be used for MEDS mailings, including Change Cycle Letters, County MEDS Advisory Group (CMAG) minutes, MEDS County Contacts Phone List and Renewal/Reconciliation schedules, and for All County Welfare Directors (ACWD) Letters.

The following defines the information printed on the mailing address list:

A. MAILING ADDRESS LIST

The name and address information is displayed on the left hand side of the Mailing Address List, the center column indicates the type of mailings to be sent, and the right hand side of the page includes a phone number and information about the county position(s) held by that person, if applicable.

1. Mailing information

The codes in the center column indicate the type of mailings desired. Those codes are explained below:

All County Welfare Directors Letters - D
MEDS Information Mailings - M
County MEDS Contact Phone List - P

Persons receiving All County Welfare Directors Letters are coded with a "D" in the center column. "M" is entered for any individual who receives MEDS mailings. "P" is entered for individuals listed on the County MEDS Contact Phone List, so that they will receive a copy of the Phone List each time a new one is published.

A person who receives only ACWD letters is entered as "D--". A person who is on the Phone List and who is to receive both ACWD letters and MEDS mailings is entered as "DMP".

2. Position Information

Asterisks to the left of the proper position title indicate the positions held by each person on the MEDS mailing address list. For some names and addresses there may not be any applicable position.

The codes listed to the right of the MEDS CWD Coordinator position title are explained below.

Primary Coordinator - P

Alternate Coordinator - Alt

Medi-Cal - MC

Food Stamps - FS

AFDC - AFDC

All Programs - All

Following are brief descriptions of each position title used in the address list.

Welfare Director: The Director of the County Welfare Department.

County Administrative Officer: The Administrative Officer for the county.

Medi-Cal Eligibility Liaison:	The staff person designated to maintain primary contact with MEB in regard to program and policy concerns.

The primary coordinator(s) is/are responsible for receiving, interpreting, and disseminating MEDS/CDB information to appropriate county staff. The alternate MEDS Coordinator(s) assumes the responsibilities of a Primary MEDS Coordinator in his/her absence. Counties may have more than one Alternate Coordinator.
