DMH INFORMATION NOTICE NO.: 96-07

TO: LOCAL MENTAL HEALTH DIRECTORS
LOCAL MENTAL HEALTH PROGRAM CHIEFS
LOCAL MENTAL HEALTH ADMINISTRATORS
COUNTY ADMINISTRATIVE OFFICERS
CHAIRPERSONS, LOCAL MENTAL HEALTH BOARDS

SUBJECT INSTRUCTIONS FOR REPORTING RATES NEGOTIATED FOR PSYCHIATRIC INPATIENT HOSPITAL SERVICES CONTRACTS

REFERENCE: Sections 1751, 1752 and 1754, Title 9, California Code of Regulations; Section 5778(o), Welfare and Institutions code; supersedes DMH Information Notice No. 94-16.

EXPIRES: June 30, 1997

Pursuant to Chapter 633, Statutes of 1994 (Assembly Bill 757), Mental Health Plans (MHPs) in counties have entered into contracts with hospitals to provide psychiatric inpatient hospital services, beginning on January 1, 1995. In developing contracts, MHPs are authorized by Section 5778(o) of the Welfare and Institutions Code and Section 1751 of Title 9, California Code of Regulations (CCR) to negotiate per diem rates with providers.

According to Section 1729 of Title 9, CCR, MHPs are required to negotiate and contract with safety net providers (Disproportionate Share Hospitals) which meet provider selection criteria. MHPs must also negotiate and contract with traditional hospital providers, as defined in the regulations, unless the Department of Mental Health (DMH) grants the MHP an exemption from contracting. The enclosed table provides a listing of both safety net and traditional providers for your county, based on Fiscal Year (FY) 1994-95 payment data.

Rates for noncontract hospitals are established by the Department according to Section 1752 of Title 9, CCR. Section 1754 of Title 9 requires that, "An MHP shall provide to the Department, within thirty (30) calendar days prior to the beginning of each state fiscal year, a listing of rates negotiated with contract, Fee-For-Service/Medi-Cal providers of psychiatric inpatient hospital service." In order for counties to comply with Section 1754, negotiated rate information for FY 1996/97 must be reported to the Department by June 1, 1996.

Specifically, the following information will be needed:

1) Name of facility
2) Facility address or provider number
3) Negotiated rate for any of the following accommodation codes that will be used:

CODE	DESCRIPTION
097	Psychiatric Acute (Adolescent and Child)
114	Room and Board - Private, Psychiatric
124	Room and Board - Semi-Private 2 Bed, Psychiatric
134	Room and Board - Semi-Private 3 or 4 Bed, Psychiatric
154	Room and Board - Ward (Medical or General), Psychiatric
204	Intensive Care, Psychiatric

The rate for code 098, Administrative Day, is established by the DMH in accordance with the regulations and need not be reported by counties.

In the event that the MHP has negotiated the rate but not entered into a contract by June 1, please report the negotiated rate. The rates for noncontract facilities will be determined based on the negotiated rate information. We will not be changing the rates for noncontract facilities if we later receive information that negotiated rates were modified when contracts are finalized or subsequently amended.

Please send the negotiated rate information to John Lessley, Managed Care Implementation, Department of Mental Health, 1600 9th Street, Room 120, Sacramento, California 95814, or fax this information to (916) 654-2804. If you should have any questions or need additional information, please call Mr. Lessley at (916) 654-3535.

Sincerely,

GARY M. PETTIGREW
Deputy Director
