## Update on the Medi-Cal Adult Day Health Care (ADHC) Benefit

Dear Medi-Cal Beneficiary:

The Department of Health Care Services recently informed you about a change in California law that reduced the Adult Day Health Care benefit to a maximum of three days per week for beneficiaries.

Due to a federal court ruling September 10, 2009 in the matter of *Brantley v. Maxwell-Jolly* (Case No. 4:09-cv-03798-SBA), this reduction **will not** take place at this time. You may continue to attend your Adult Day Health Care center for the number of days per week approved on your current Treatment Authorization Request.

If you have questions about this change in Medi-Cal benefits, please contact your ADHC provider, or call (916) 636-1980.
