1 Plaintiffs wish to clarify the following statement in the Special Master's
2 Supplemental Progress Report on the Implementation of the Katie A. Plan
3 that:

4 "The State is in agreement with the Proposed Modification of
5 Implementation Plan Timelines and, as the Special Master
6 understands, the Plaintiffs won't object to Proposed Modification of
7 Implementation Plan Timelines but remain concerned about possible
8 future delays and its impact on Court Jurisdiction."

9 Docket No. 839, at page 18, line 31, through page 19, line 3.

10 A more accurate description of Plaintiffs' position is that:

11 "Plaintiffs do not object to Proposed Modification of Implementation
12 Plan Timelines subject to their ongoing reservation of rights that the
13 deadline for terminating the Court's jurisdiction over the State
14 Defendants in this lawsuit should be extended beyond the current date
15 of December 1, 2014. "
