AGENDA OPTIONS – FOR DISCUSSION AND FEEDBACK

Dear Members of the Stakeholder Advisory Committee (SAC):

In preparation for our next Stakeholder Advisory Committee on Thursday, May 30, 2013, we would like to solicit your feedback and thoughts on a number of important agenda items for the meeting.

On April 25, 2013 from 4:00pm – 5:00pm, we will hold our regular pre-SAC agenda review conference call to gather feedback on the proposed agenda.

On this call, we will not present a detailed agenda, but rather a list of issues that can be covered at the meeting. We will ask for your feedback on the key priority issues for discussion at our May 30 meeting and then will create an agenda that reflects your feedback.

This is a very crucial time as the State prepares for implementation of the Affordable Care Act. There are many possible issues that we can cover at the meeting. Thank you in advance for your thoughts and feedback at this time.
