FISCAL PERIOD ENDED: JUNE 30, 2009

We have reviewed the Federally Qualified Health Center (FQHC) Medi-Cal Reconciliation Request for the above-referenced fiscal period. Our review was made under the authority of Welfare and Institutions Code section 14170, and was limited to a review of the provider's records/data and the Medi-Cal Paid Claims Summary Reports received from the State's fiscal intermediary.

The reconciliation review consists of finding the difference between the Medi-Cal Prospective Payment System (PPS) settlement for all visits previously paid on an interim basis such as those rendered to Managed Care Plan patients and Non-Managed Care crossovers.

This review may include an adjustment for duplicate payments, credit balances or payments made for non-billable services found during our review of Medi-Cal Paid Claims Detail Report.

The amount due the Clinic for the above referenced fiscal period in the amount of \$360,299 as presented in the accompanying schedules represents a final determination in accordance with the reimbursement principles of the program.

Your interim Managed Care rate (Code 18), and Medi-Cal crossover rate (Code 02) will not be adjusted at this time.

Status, which may reflect other financial transactions initiated by the Department. The State's fiscal intermediary will forward the Statement(s) of Account Status to the Clinic.

Please note; the computation of this reconciliation utilizes the PPS rate in effect for the change in the PPS rate for the applicable period, the reconciliation amount will be revised to reflect the impact of the new PPS rate. At that time, a revised reconciliation determination will be sent to the clinic.
