FISCAL PERIOD ENDED: JUNE 30, 2012

We have reviewed the Federally Qualified Health Center (FQHC) Medi-Cal Reconciliation Request for the above-referenced fiscal period. Our review was made under the authority of Welfare and Institutions Code section 14170, and was limited to a review of the provider's records/data and the Medi-Cal Paid Claims Summary Reports received from the State's fiscal intermediary.

The data presented on Schedule 1 represents the reported Medi-Cal settlement due the State in the amount of (\$7,317) which was accepted as filed.

Your interim Managed Care rate (Code 18), and Medi-Cal crossover rate (Code 02) will not be adjusted at this time.

This determination includes:

1. Reconciliation Review Report (Schedule 1)

The accepted settlement will be incorporated into a Statement(s) of Account Status, which may reflect tentative retroactive adjustment determinations, payments from the Provider, and other financial transactions initiated by the Department. The State's fiscal intermediary will forward the Statement(s) of Account Status to the Provider. Instructions regarding payment will be included with the Statement(s) of Account Status.

Please note; the computation of this reconciliation utilizes the PPS rate in effect for the applicable time period. Should a Change in Scope-of-Service Request result in a change in the PPS rate for the applicable period, the reconciliation amount will be revised to reflect the impact of the new PPS rate. At that time, a revised reconciliation determination will be sent to the clinic.
