FISCAL PERIOD ENDED JUNE 30, 2011

We have reviewed the Local Educational Agency's (LEA) Medi-Cal Cost and Reimbursement Comparison Schedule (CRCS) for the above-referenced fiscal period. Our minimal review was made under the authority of Section 14170 of the Welfare and Institutions Code and was limited to a review of the CRCS and the State's fiscal intermediary's paid claims data.

The data presented in the Summary of Findings represents the reported settlement due State in the amount of \$4,892 for the above fiscal period which was accepted as filed.

This determination includes the:

1. Summary of Findings and Supporting Schedules

The accepted settlement will be incorporated into a Statement(s) of Account Status, which may reflect tentative retroactive adjustment determinations, payments from the Provider, and other financial transactions initiated by the Department. The Statement(s) of Account Status will be forwarded to the Provider by the State's fiscal intermediary. Instructions regarding payment will be included with the Statement(s) of Account Status.

Notwithstanding this determination, overpayments to the provider are subject to recovery pursuant to Section 51458.1, Article 6 of Division 3, Title 22, California Code of Regulations.
