Note 1: Two EDER transactions, which were Exemptions with no Exemption reasons, were processed, but not included in the total column for LA Care Health Plan in Los Angeles County. One of the transactions was processed correctly, however, it was not included in the total column because the Disenrollment was entered for an exemption that expired prior to the data extraction date of 10/28/05 from MAXSTAR®. The other transaction was entered for a beneficiary without an approved exemption on file. The exemption was approved by DHS, but not entered into MAXSTAR®. The approved exemption was entered into MAXSTAR® on 11/1/05, however, it is not reflected in this report because it took place after the data extraction date of 10/28/05 from MAXSTAR®.
