This report counts those individuals who are both eligible, and enrolled as Certified eligibles, in the Medi-Cal program. Certified eligibles are those individuals enrolled in Medi-Cal without an unmet share of cost obligation. Additionally, the universe of certified eligibles does not include recipients of FPACT family planning services or maternity care provided under presumptive eligibility. Refer to the analytic notes linked below for the aid code definitions and groupings.

[Please refer to the Analytic Notes, they are an integral part of this report.](#)

Note: The counter for continuous enrollment was started January 1, 2000. The Medi-Cal Inmate Eligibility Program became effective April 1, 2011.
