PURPOSE

The purpose of this bulletin is to provide information to counties and providers regarding the Department of Alcohol and Drug Programs (ADP) plan for Drug Medi-Cal (DMC) billing for the year 2000 and beyond (Y2K).

DISCUSSION

ADP plans to change the format of the Drug Medi-Cal claims effective July 1, 2000 by expanding the following fields:

Field Name:	Current Format 150 Character record	New Y2K Format 157 Character record (Expanded)	# of Characters Expanded
1) Claim For Example	YYMM 0001	CCYYMM 200001	2 Chars
2) Birth Year Example	CYY 956	CCYY 1956	1 Char
3) Service Date Example	YYMM 0001	CCYYMM 200001	2 Chars
4) Admit Date Example	YYMM 0001	CCYYMM 200001	2 Chars

All Counties/Providers must implement the above changes on all automated DMC billings by June 30, 2000. This includes all media types (tape, disk and E-mail). As of July 1, 2000, only Y2K-formatted claims will be accepted; this includes resubmission or supplemental claims received after July 1, 2000.

For claims submitted through June 30, 2000, ADP will utilize Department of Health Services' (DHS) windowing program to process billings on the current (150-character record) format.

ADP will test county or provider data in DHS's Y2K test environment upon request. Please contact Terrie Williams, Fiscal Management Branch Supervisor, at (916) 323-2058 or E-mail at twilliams@adp.state.ca.us by October 15, 1999 if you want to test your automated billing system. Karen Redman of Information Management Services Division (IMSD) is ADP's External Interface coordinator.

The Drug Medi-Cal Eligibility Worksheet (ADP 1584) will be available in the Y2K format for submission of manual billings starting February 1, 2000. DHS will not accept claims in the non-Y2K format after the above-mentioned date.
