

County: _____

Reporting Period: _____

Date Completed: _____

Please provide an update to the Readiness Assessment Tool counties completed in May 2013. Describe activities related to each section during the reporting period, including actual or anticipated results. Include activities that support family-centered principals, and promote implementation of the ICC and IHBS using Core Practice Model. Identify activities that occur jointly and those that occur separately by child welfare and mental health agencies. Include information about barriers, as appropriate, and strategies to address them.

For each section, please indicate if training or technical assistance from the state is needed. When indicated, CDSS and DHCS will contact the county child welfare and mental health departments for further information. Please note that training and technical assistance needs will be addressed in a coordinated manner through each county’s child welfare and mental health contacts.

Use additional pages, if necessary.
