September 26, 2001

TO: All Local Governmental Agencies (LGAs)
    Targeted Case Management (TCM) Coordinators

The purpose of this transmittal is to inform each LGA that the TCM Cost Report for FY 2000/2001 must be sent to DHS no later than November 1, 2001. Each LGA participating in the TCM program is required to submit a Cost Report identifying the prior year costs of providing TCM services. This TCM Cost Report will be used by DHS to establish the TCM rate for FY 2001/2002. TCM Cost Reports with an official post office postmark, a FedEx date, or a UPS date of November 1, 2001, will be accepted.

It is essential that all LGA programs providing TCM services within a specific program area be consolidated into a single Cost Report. A single Cost Report must be submitted to DHS for each program area set forth in the State Plan for which the LGA is participating. The six program areas in the State Plan are Public Health, Outpatient Clinics, Public Guardian, Linkages, Adult Probation, and Community. Failure to submit the TCM Cost Report by the due date will jeopardize TCM reimbursement for the entire FY. Please send the completed Cost Report packages to:
