PPL No. 06-002

TO: ALL LOCAL GOVERNMENTAL AGENCY TARGETED CASE MANAGEMENT COORDINATORS

SUBJECT: TCM INVOICE DUE DATES

The purpose of this Policy and Procedure Letter (PPL) is to inform each Local Governmental Agency (LGA) of the due dates for Targeted Case Management (TCM) invoices. This PPL is consistent with PPLs on TCM Invoice Due Dates from previous years and is meant to apply to all subsequent years until this requirement is amended or revoked.

Pursuant to Welfare and Institutions (W&I) Code, Section 14115, to be eligible for full reimbursement, an original invoice shall be submitted not more than six months after the month in which the service is rendered. To meet the six-month deadline, encounters must be entered into the TCM System and invoices must be postmarked to the California Department of Health Services (DHS) within six months from the end of the month in which the service was provided. DHS considers the submittal date to be the date the invoice is postmarked. Invoices postmarked after the six-month limit will be reduced in reimbursement.

Reimbursement for invoices submitted between seven and twelve months after the month of service shall be reduced as follows:

- The amount of reimbursement shall be reduced by 25 percent for invoices postmarked to DHS during the seventh through the ninth month after the month of service.
- The amount of reimbursement shall be reduced by 50 percent for invoices postmarked to DHS during the tenth through the twelfth month after the month of service.
Invoices postmarked to DHS later than the end of the twelfth month following the month of service are not eligible for reimbursement.

To satisfy the invoice submittal requirement, invoices must be postmarked according to the enclosed invoice postmark schedule.

Pursuant to W&I Code, Section 14115(a)(b) and (f), reductions to invoices submitted between the seventh and the twelfth month after the month of service will apply, except as follows:

- A patient does not identify himself or herself to the provider as a Medi-Cal beneficiary within four months after the month in which the service was rendered.
- The Director of DHS finds that a delay in the submission of invoices was caused by circumstances beyond the control of the LGA.
- A state of emergency has been declared by either the President of the United States, the Governor or the Director, due to destruction, loss or inaccessibility of data as a result of the emergency situation.

If the reason for the late invoice meets one of the preceding exceptions, and the LGA chooses to appeal, the LGA coordinator must submit a written request to:

Because the invoice deadlines are based on the month of service, DHS recommends that invoices be submitted on a monthly basis. Specific deadline for each fiscal year are available on the TCM website: www.dhs.ca.gov/tcm.
