Dear Senator Leno:

RE: CALIFORNIA CHILDREN'S SERVICES – LEGISLATIVE REPORT 2013

On behalf of the Department of Health Care Services (DHCS), I am providing you with the information regarding the California Children's Services (CCS) Program pursuant to Section 14093.06(e) of the Welfare and Institutions (W&I) Code which states the following:

All children enrolled with a managed care contractor who are seeking CCS program benefits shall retain all rights to CCS program appeals and fair hearings of denials of medical eligibility or of service authorizations. Information regarding the number, nature, and disposition of appeals and fair hearings shall be part of an annual report to the Legislature on managed care contractor compliance with CCS standards, regulations, and procedures. This report shall be made available to the public.

During Calendar Year (CY) 2013 the following managed care organizations were authorized to provide CCS covered services pursuant to Section 14094.3 of the W&I Code.

- Partnership Health Plan of California in Marin, Napa, Solano, and Yolo Counties;
- The Health Plan of San Mateo in San Mateo County;
- CenCal Health (formerly known as Santa Barbara Regional Health Authority in Santa Barbara County).

The Honorable Mark Leno

Each of the six counties maintain files on their appeals which are submitted by CCS Program clients or applicants living in their respective county. During CY 2013, there were a total of 15 requests for fair hearings. Of the 15, six appeals were approved and the remaining nine were denied.

The County Organized Health Systems listed on the previous page provided CCS Program benefits in accordance with their contract with DHCS and capitated revenue in Calendar Year 2013. The appeals were all filed in response to a Notice of Action or letter of denial issued by the County CCS Program, pursuant to Title 22, California Code of Regulations, Section 42700 et seq.
