The Honorable Holly J. Mitchell, Chair
Joint Legislative Budget Committee
1020 N Street, Room 553
Sacramento, CA 95814

Dear Senator Mitchell:

CALIFORNIA CHILDREN'S SERVICES – LEGISLATIVE REPORT 2016

On behalf of the Department of Health Care Services (DHCS), I am providing you with the information regarding the California Children's Services (CCS) program pursuant to Section 14093.06(e) of the Welfare and Institutions (W&I) Code which states the following:

“All children enrolled with a managed care contractor who are seeking CCS program benefits shall retain all rights to CCS program appeals and fair hearings of denials of medical eligibility or of service authorizations. Information regarding the number, nature, and disposition of appeals and fair hearings shall be part of an annual report to the Legislature on managed care contractor compliance with CCS standards, regulations, and procedures. This report shall be made available to the public.”

During Calendar Year (CY) 2016 the following managed care organizations (MCOs) were authorized to provide CCS covered services pursuant to W&I Code, Section 14094.3.

- Partnership Health Plan of California in Marin, Napa, Solano, and Yolo Counties;
- Health Plan of San Mateo in San Mateo County; and
- CenCal Health (formerly known as Santa Barbara Regional Health Authority in Santa Barbara County).

The Honorable Holly J. Mitchell

The MCOs listed on the previous page provide CCS program benefits in accordance with their contract with DHCS. In addition, each of the six counties work closely with the these MCOs, and also maintain files on their appeals which are submitted by CCS clients or applicants living in their respective county.

During CY 2016, there were a total of 9 appeals submitted of which 5 were denied, 3 were approved and 1 resulted in a withdrawal. The appeals were all filed in response to a Notice of Action or letter of denial issued by the local county CCS program, pursuant to Title 22, California Code of Regulations, Section 42700 et seq.

If you have any questions regarding this information, please contact Ms. Patricia McClelland, Chief, Systems of Care Division, at (916) 327-2435 or via e-mail at Patricia.McClelland@dhcs.ca.gov.

Sincerely,
