Notes: This summary includes data for paid claims for breast and cervical cancer screening services only. The summary does not include data for denied claims.

* The data presented is limited to claims paid for services provided between 7/1/2011 - 6/30/2012, and paid as of 6/25/2012, (date the report was generated). As some services rendered during this period have not yet been invoiced, or paid, this reported data cannot be compared to data provided through other formal processes (e.g., Budget Estimates).

¹ Total unique EWC Recipient ID numbers do not represent unique women or caseload, since a single woman can have multiple Recipient ID number in the current data system.

² Case management is paid at \$0 for normal screening results and \$50 for abnormal screening results. The policy for \$0/\$50 has been implemented in the claims payment system.

³ Includes cervical screening and diagnostic services, and pathology procedures for both breast and cervical.

Listed below are the EWC program activities for the 4th Quarter of FY 2011-12:

- **May 21, 2012, EWC met with the Breast and Cervical Cancer Advisory Council (BCCAC):**
