MMCD All Plan Letter 05013

TO: TWO PLAN MODEL CONTRACTORS, GEOGRAPHIC MANAGED CARE CONTRACTORS, KAISER PRE-PAID HEALTH PLAN, SCAN HEALTH PLAN, PACE PLANS, AIDS HEALTHCARE FOUNDATION, COUNTY ORGANIZED HEALTH SYSTEM CONTRACTORS.

SUBJECT: MEDICARE MODERNIZATION ACT; MEDICARE PART D IMPLEMENTATION SYSTEM CHANGES

On December 15, 2005, you were sent Medi-Cal Managed Care Division (MMCD) All Plan Letter 05012 informing you of the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA). The purpose of this letter is to inform you of the changes that will occur to the Fiscal Intermediary Access to Medical Eligibility system (FAME) as a result of MMA, Part D. The California Department of Health Services (CDHS) will be updating the FAME file in two ways:

- 1 There will be a Part D indicator on the current FAME file starting in January; and,
- 2 A monthly Part D provider update to the FAME file that we plan on starting in March 2006.

The Part D indicator will tell you which members are participating in Medicare Part D. It is a one digit code that occurs at the end of each monthly segment that will indicate if the beneficiary participated in Part D for the month in review; please see attachment A for Healthcare Plans (HCP) that are non County Organized Health Systems, and attachment B for HCPs that are County Organized Health Systems. These files will have the history of Medicare Part D participation for each member month on the FAME file. The relevant Part D information is highlighted for your convenience.

In the future, the FAME file will be updated to include the Part D providers' state identification number and the date the provider started providing services. This update is projected to start in March 2006. For HCPs that are not County Organized Health Systems, we plan to use columns 1535 through 1538 to indicate the federal identification number, and columns 1539 through 1546 to indicate the date the provider began giving services. For HCPs that are County Organized Health Systems, we plan to use columns

1491 through 1494 to indicate the federal identification number, and columns 1495 through 1500 to indicate the date the provider began giving services. We will contact you when this change is implemented.

We will not be maintaining the complete history on the FAME file at this time. If you need history information please contact your contract manager and they can request that it be retrieved by our Systems Support Unit. We are also including a contact list for the Part D providers (please see attachment C). In the future, you may need to call 1-800-MEDICARE to receive updated contact information.

We will revisit the need for further systems changes in 2006. If you have suggestions for future changes to the FAME file, or if you have questions about the MMA Part D implementation, please contact your contact manager, and they will route it to the appropriate person for review and response. Thank you for your cooperation.

Sincerely,

Vanessa M. Baird, MPPA, Chief
Medi-Cal Managed Care Division
