DMH INFORMATION NOTICE NO.: 00-07

TO: LOCAL MENTAL HEALTH DIRECTORS
LOCAL MENTAL HEALTH PROGRAM CHIEFS
LOCAL MENTAL HEALTH ADMINISTRATORS
COUNTY ADMINISTRATIVE OFFICERS
CHAIRPERSONS, LOCAL MENTAL HEALTH BOARDS

SUBJECT: NEGOTIATED RATES FOR SHORT-DOYLE/MEDI-CAL (SD/MC)
SERVICES FOR FISCAL YEAR (FY) 2000-2001

To establish Performance Contracts for FY 2000-2001, the Department of Mental Health (DMH) requires the following information if your county intends to contract with the Department or a local provider on a negotiated rate basis for SD/MC funds.

Please submit your proposed rates on the same time bases as shown on Enclosure A for affected legal entities by service function. Approval of your proposed rates shall be determined by following the procedures in Enclosure B. For existing programs without significant changes, DMH will approve rates that are consistent with your FY 1999-00 DMH Cost Report and the application of the appropriate inflation factor. Or, if the FY 1999-00 DMH Cost Report is not available, the FY 1998-99 Cost Report will be used with the application of appropriate inflation factors. Additionally, please provide justification for proposed rates that are equal to the Statewide Maximum Allowance. Rates for new services will not be approved without prior years' cost report data.

Please send your rate proposal to:

Stan Johnson, Chief
County Financial Program Support
1600 9th Street, Room 120
Sacramento, California 95814

This information must be submitted by December 31, 2000, pursuant to Welfare and Institutions Code, Section 5705(a)(4) with a copy of your county's completed FY 1999-00 DMH Cost Report. For proposals received after December 31, reimbursement for services provided to Medi-Cal eligible clients will be based on the lesser of cost, charges, or the SD/MC maximum allowance as set forth in Section 51516 of Title 22 of the California Code of Regulations.

The final approval letter for negotiated rates will include valid rate proposals. Proposals for Hospital Administrative Day rates are not negotiated and therefore will not appear on the final approvals. Proposals for service functions with cost reimbursement will not appear on the final approvals since they are not negotiated rates. Proposals that request a rate but are negotiated for cost will appear on the final approvals.

If you intend to contract on a cost reimbursement basis for all programs, or wish to contract on a negotiated rate basis with county funds only, please ignore this letter.

If you have any questions or comments, please contact Stan Johnson at (916) 654-3060.

Sincerely,
