MODIFICATION

The Department of Mental Health (DMH) is issuing the enclosed revised Cultural Competence Plan Requirements (CCPR) Modification (2010). The CCPR Modification (2010) is DMH's mechanism to expand and integrate cultural competence from Specialty Mental Health Services to the entire mental health system.

DMH utilizes California Code of Regulations, Title 9, Section 3200.260, to define "Small Counties". Eligible small counties shall complete and submit a CCPR Modification (2010), or opt to complete the full CCPR (2010) detailed in DMH Information Notice 10-02.

Counties will have seven months from the release of this Information Notice to complete their CCPR Modification (2010). During those seven months, DMH will offer technical assistance to counties. The CCPR Modification (2010) will be due to DMH on March 15, 2011. County CCPR Modification (2010) submissions will be reviewed, scored, and posted by DMH. Please submit one original, three copies, and one compact disc of the document saved in PDF (preferred) or Microsoft Word (1997-2003) format to:
