A school district may request a waiver of the hearing screening test for tenth and/or eleventh grade pupils once each school year. This request is for waiver of hearing screening for tenth and/or eleventh grade pupils.

The California Code of Regulations, Title 17, Section 2951, requires an alternative testing plan that will ensure that each pupil at risk of hearing loss will receive testing services. Pupils at risk of hearing loss are:

- those exposed to loud noises, including loud music;
- pupils that have been referred for testing by a parent or teacher;
- pupils for whom there was a previously documented problem;
- pupils who have not had a hearing test for three years; *and*
- any pupil who has enrolled for the first time in the district.

We will follow the alternative hearing testing plan as described above.

We will modify the alternative hearing testing plan described above in the following fashion:
