Mari Cantwell Chief Deputy Director, Health Care Programs California Department of Health Care Services P.O. Box 997413, MS 0000 Sacramento, CA 95899-7413

Dear Ms. Cantwell:

Enclosed is an approved copy of California State Plan Amendment (SPA) CA 17-016, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on May 22, 2017. This amendment removes from the state plan the eligibility of former foster care youth under age 26 who were in foster care under the responsibility of another state, and enrolled in Medicaid at the time they turned age 18 or aged out of the foster care system in the other state. This amendment is in compliance with \$1902(a)(10)(A)(i)(IX) of the Social Security Act, federal regulations at 42 CFR \$435.150 et.seq., and the Centers for Medicaid & CHIP Services (CMCS) Informational Bulletin issued on November 11, 2016, titled "Section 1115 Demonstration Opportunity to Allow Medicaid Coverage to Former Foster Care Youth Who Have Moved to a Different State." The authority to cover this population will be transferred to the state's Section 1115 demonstration waiver via a separate, companion Section 1115 waiver amendment effective at the same time.

The effective date of this SPA is August 18, 2017. Enclosed are the following approved SPA pages that should be incorporated into your approved state plan:

• S33-Mandatory Coverage: Former Foster Care Children, pages 1-3
