**CONDITIONS UNDER WHICH DIRECT BENEFICIARY REIMBURSEMENT
WILL BE MADE UNDER THE MEDI-CAL PROGRAM
(Retroactive and Evaluation Periods of Eligibility)**

NOTE: Italicized print has been added for clarification only and is not meant to infer a change in meaning from the court-approved Plan of Implementation.

General

The Department of Health Care Services (DHCS) will adjudicate completed beneficiary claims for reimbursement of Medi-Cal covered service expenses incurred and paid for (1) during the retroactive period (up to 3 months prior to the first day of the month of application to the Medi-Cal program); and (2) during the evaluation period (from the time of application to the Medi-Cal program until the issuance of the beneficiary's Medi-Cal card). Adjudication will be within approximately 120 days from receipt of the completed claim(s). *Upon adjudication of approved claims, payment will be made immediately.*

The methods of beneficiary reimbursement during the retroactive and evaluation periods of eligibility will include (1) "cooperative" payments by providers; (2) "recoupment" actions against uncooperative Medi-Cal providers; and, (3) when necessary, direct reimbursement to the beneficiary up to the current Medi-Cal rate for the applicable Medi-Cal covered service(s), *at the time the service was rendered.*

The Medicaid claim for these expenditures will be made at the applicable Medi-Cal rate established for the respective service under the Medi-Cal program, at the time the service was rendered and at the current Federal Medical Assistance Percentage (FMAP) in effect.
