13.d.5 Substance Abuse Treatment Services

Substance abuse treatment services are to stabilize and rehabilitate Medi-Cal beneficiaries who are diagnosed by physicians or other licensed practitioners of the healing arts, within the scope of their practices, as having a substance-related disorder. Substance abuse treatment services are provided by certified substance abuse treatment clinics, their certified satellite sites, or certified perinatal residential substance abuse programs; are based on medical necessity; and are provided in accordance with a coordinated patient , treatment or service plan approved by a licensed physician, excluding crisis services for which a service plan is not required. Services include:

- Day Care Rehabilitative Treatment
- Naltrexone Treatment
- Narcotic Treatment Program
- Outpatient Drug Free Treatment
- Perinatal Residential Substance Abuse Services
- Substance Abuse Treatment Services Provided to Pregnant and Postpartum Women as Described in Supplement 1 to Attachment 3.1-B and Enclosure 1.

Provider Qualifications

Stabilization and rehabilitation services are provided by qualified certified substance abuse treatment clinics, their certified satellite sites, or certified perinatal residential substance abuse programs that agree to abide by the definitions, rules, and requirements for stabilization and rehabilitation services established by the Department of Alcohol and Drug Programs in conjunction with the Department of Health Services, and that sign a provider agreement to serve all persons for whom these services are medically necessary.

Services are provided by or under the supervision of a qualified substance abuse treatment professional functioning within the scope of his/her practice. A qualified substance abuse treatment professional means any provider
