INTRODUCTION

The Children's Medical Services (CMS) Branch provides forms and publications for use by local California Children's Services (CCS) and Child Health and Disability Prevention (CHDP) programs. CMS materials are available from numerous sources, each with its own procurement procedures. This catalog provides instructions for ordering from five sources:

- CMS Branch Website (web-based distribution)
- Department of Health Services (DHS) Warehouse
- Electronic Data Systems (EDS) Print and Distribution Center
- Newborn Hearing Screening Program (NHSP)
- Women, Infant, and Children (WIC) Supplemental Nutrition Branch Warehouse

How to Use the Catalog

This catalog is product-oriented. Items available through the CMS Branch are listed three ways: by title, by number, and by program/category/topic. For example,

- If the title of an item is known, look under *Inventory by Title* (page 19).
- If the item number is known, look under *Inventory by Item Number* (page 29).
- If the title and item number are unknown, look *Inventory by Program and Category/Topic* (page 39). First, located the desired program. Second, find the entries under the desired category or topic. Lastly, locate the specified item.

All lists provide the title, number, language, and last revision date of each item. Brief descriptions for each item can be found in the *Inventory by Title*.

Once the desired item has been located on an inventory list, look at the page number(s) referenced under the *Go To Page...* column. To find out how to obtain the desire item, turn to these page(s). Ordering instructions will be detailed on the referenced page.

Who Should Have This Catalog

It is highly recommended that local CCS and CHDP programs provide this catalog to the staff member(s) responsible for ordering materials. Additional copies of this catalog can be obtained from www.dhs.ca.gov/cms. The online version of this catalog will be updated as new materials become available.

GUIDELINES FOR COMMON REQUESTS

The CMS Branch receives numerous requests relative to print materials. The following are guidelines for common requests.

- **Alterations**

The CMS Branch requests that the content and design of materials not be altered. However, local CMS programs, health departments, and health care providers may stamp or label brochures, posters, and flipcharts with their contact information.

In order to ensure the quality of online materials, the CMS Branch requests that materials not be scanned.

- **CMS Logo**

Local CMS programs that would like to include the CMS logo (see catalog cover) in their website or newsletters should contact the staff member listed below. The logo is available in four computer file formats: bitmap, JPEG, PDF, and TIF.

- **The Internet**

In an effort to promote the online distribution of CMS Branch materials, local CMS programs and community organizations are encouraged to link to the CMS website (see page 4 for more details).

Linking to the actual web address (URL) of a desired form or publication will ensure that visitors are directed to the latest version of that form or publication. For items not currently available online, please contact the staff member listed below.

- **Special Orders**

The CMS Branch often receives orders from community organizations, managed care plans, school districts, and other organizations for a large amount of materials. Unfortunately, the CMS Branch budget does not support such orders. It may be possible to supply a limited number of publications for statewide conferences and conventions. The CMS Branch may also be able to provide masters to organizations wishing to reprint a particular publication. Direct special requests to the staff member below.

- **Translations**

Agencies wishing to translate CCS or CHDP materials into other languages should contact the staff member listed below. It may be possible to supply such agencies with the original artwork.

Questions and request should be directed to:

René C. Macias
CMS-Forms and Publications Coordinator
Children's Medical Services Branch, Program Support Section
MS 8100, P.O. Box 997413, Sacramento, CA 95899-7413
Phone: 916-327-2689
Fax: 916-327-1106
E-Mail: Rmacias1@dhs.ca.gov

ORDERING PROCEDURES

CHILDREN'S MEDICAL SERVICES (CMS) BRANCH WEBSITE

Who May Access Items

Anyone with Internet access may view, download, and/or print selected forms and publications from the CMS Branch website. This is a convenient way for parents, school nurses, health care providers, social workers, and others to obtain CMS materials.

Software Requirements

Online forms and publications are usually stored in a "portable document format" (PDF) file. PDF is a universal file format that preserves the fonts, formatting, and graphics of any source document so that users can view and/or print it as it was originally designed.

To view and print these items, users will need Adobe Acrobat Reader. Adobe Acrobat Reader can be downloaded from the Adobe website (www.adobe.com/products/acrobat/readstep.html) at no charge. The Adobe website provides instructions for downloading and installing the software. It is recommended that users download the most current version of Adobe Acrobat Reader.

Accessing Online Materials

The CMS website is part of the DHS website. To access online CMS materials, go to www.dhs.ca.gov/cms and click on *Forms and Publications*. Items currently available online are listed on this webpage. Check back often as the CMS Branch is frequently expanding the website.

Click on the item you would like to view. Depending on how your Internet browser (e.g., Internet Explorer, Netscape Navigator) is configured, the form will either automatically launch (open) in Adobe Acrobat Reader or prompt you to save it to a disk. In the later case, save the file to a selected drive, then open Adobe Acrobat Reader, and finally open the saved file.

"Fillable" Forms

Many of the online CMS forms are "fillable." While viewing the form in Adobe Acrobat Reader, the cursor changes from a hand to a pointing finger or text bar when it passes over a fillable field. You can type in information (e.g., name, address) in these fields. You can then print the completed form.

Users with the free Adobe Acrobat Reader will only be able to fill in and print out the form from their computer, not save the completed form. Users with the complete Adobe Acrobat software package can save the form and data for later use.

Troubleshooting

If you have trouble working with the PDF files, go to the support section on the Adobe Acrobat website (www.adobe.com/support/products/acroreader.html).

DEPARTMENT OF HEALTH SERVICES (DHS) WAREHOUSE

Who May Order

Only local CCS and CHDP programs may order CMS materials from the DHS Warehouse. Local programs are responsible for ordering materials for their own use, as well as for local providers.

The CMS Branch will only approve orders signed by a designated local program staff member. In order to designate a staff member, each CCS Administrator and CHDP Deputy Director (or CMS Director where applicable) must complete and return the form on page 9. A new form should be submitted any time there is a staffing change. Effective July 1, 2002, only orders signed by a designated staff member will be approved and processed. To find out the designate staff member for a local program, contact CMS-Forms and Publications Coordinator at 916-327-2689.

Order Form (DHS 2031)

Use the DHS 2031 Order Form (revised June 2002) when ordering from the DHS Warehouse. The DHS 2031 is a single-sheet of bond paper with a unique control number. Because of the unique control number, do not duplicate the form to make additional orders. Use a new form each time an order is submitted to the DHS Warehouse.

A supply of order forms can be obtained by including them on the list of items ordered from the DHS Warehouse. If you do not already have an order form, call the DHS Warehouse at (916) 928-9203.

Completing an Order Form (DHS 2031)

When completing an order form, always type or print legibly. The numbers below correspond to the sample order form on page 8.

1. Enter the date of the order.
2. Enter the name of the county where the CCS or CHDP program is located. City programs (e.g., Berkeley, Long Beach, and Pasadena) should also enter the county name.
3. Enter the corresponding two-digit county code. County codes are listed on the back of the order form.
4. Enter the local health department's name under *Department/agency/facility*.
5. Enter CCS or CHDP under *Section*.
6. Enter the complete shipping address, including any room or floor numbers. Do not use postal boxes. The DHS Warehouse uses a private carrier and cannot ship to postal boxes.
7. Enter the name of the CCS or CHDP program staff member designated to order materials. Only orders with the authorized signature will be approved and processed. (See page 9 for more information.)
8. Enter the telephone number of the staff member identified in Item 7.
9. List the items being ordered under *Item/Publication Title* and *Item Number* sections using the following conventions:

Use a separate line for each item ordered.

Arrange the items as follow:

first alphabetically by the prefix (e.g., DHS, MC, PM, or PUB),

then numerically by the number, and

finally alphabetically by the suffix (e.g., A, B, BI, INST), if any.

If the item number is unknown, list the title in English and leave the *Item Number* column blank.

Do not include the revision date (e.g., 3/95, 2001).

List the title under the *Item/Publication Title* column. The title must be in English, even if the publication is in another language.

Do not attach samples.

An example of a properly completed order form is shown on the backside of the DHS 2031 Order Form.

10. Enter the number of items being ordered under the *Quantity* column.

For example, a box of 50 brochures would be listed as 50 each, not 1 box.

Order a three-to-four month supply.

11. Leave the *CALSTARS Coding*, *Process Code*, *WHSE CODE*, and *Location* columns blank.

Submitting an Order

Orders may be submitted by fax or by mail.

Fax: Fax the order form to CMS-Forms and Publications Coordinator at 916-327-1106. Once the order has been faxed, file the original order form for future reference. Do not mail or fax the original order form after it has been faxed.

Mail: Photocopy the completed order form. File the photocopy for future reference. Send the original order form to:

René C. Macias
CMS-Forms and Publications Coordinator
Children's Medical Services Branch, Program Support Section
MS 8100, P.O. Box 997413, Sacramento, CA 95899-7413
Phone: 916-327-2689
Fax: 916-327-1106
E-Mail: Rmacias1@dhs.ca.gov

Processing Orders

The CMS Branch reviews and approves orders. Once the order form is approved, it is sent to the DHS Warehouse. Orders are processed as they are received. The entire process takes four to six weeks.

The DHS Warehouse conducts inventory every January. Typically, they do not process orders for about three weeks between late December and early January. Please plan accordingly.

Questions concerning the status of a particular order should be addressed to CMS-Forms and Publications Coordinator at 916-327-2689. Use the file copy of the order form as a reference when making inquiries.

Receiving an Order

A copy of the order form will be marked "Packing Slip" and returned with the order. The following code(s) may be written in the *Process Code* column:

<u>Code</u>	<u>Definition</u>
C	Order cancelled because the item is not stocked in the DHS Warehouse or the item could not be identified.
D	Currently out of stock. Since the DHS Warehouse does not have a backorder system, you will have to reorder after 30 to 45 days.
E	The quantity shipped was reduced from the requested quantity because the order appeared excessive. An example of an excessive request is ordering 5,000 copies of the <i>Report of Health Examination for School Entry</i> (PM 171 A) when the county only has 2,500 first graders.
I	Order filled.
L	Quantity limited by owning section or program.
O	Item has been discontinued.
P	The quantity shipped differs from the quantity requested because of packaging. For example, 150 brochures were ordered but 200 were delivered because the brochures are packed in bundles of 200.
R	The quantity shipped was reduced from the requested quantity because stock is low. Since the DHS Warehouse does not have a backorder system, you will have to reorder after 30 to 45 days.

If there are any errors in the delivery, contact the DHS Warehouse prior to attempting to return any item(s). Use the packing slip as a reference when calling the DHS Warehouse. The DHS Warehouse phone number is 916-928-9203.

**CHILDREN'S MEDICAL SERVICES STAFF MEMBER DESIGNATED TO ORDER
DEPARTMENT OF HEALTH SERVICES WAREHOUSE MATERIALS**

Instructions

1. Photocopy this page.
2. Fill out the required information on the photocopy.
3. Mail or fax the completed form to the CMS Branch:

René C. Macias
 CMS-Forms and Publications Coordinator
 Children's Medical Services Branch, Program Support Section
 MS 8100, P.O. Box 997413, Sacramento, CA 95899-7413
 Fax: 916-327-1106

4. Submit a new form any time there is a change in the authorized signer.

. . .

I hereby designate the following staff member(s) to serve as our program's authorized signer for ordering materials through the DHS Warehouse.

Signature of CCS Administrator or CHDP Deputy Director (or CMS Director where applicable)	Date	County/City

ELECTRONIC DATA SYSTEMS (EDS) PRINT AND DISTRIBUTION CENTER

Who May Order

Only local CHDP programs may order materials from the EDS Print and Distribution Center. CHDP programs are responsible for ordering materials for their own use, as well as for CHDP providers (including CHDP Clinical Laboratories (Provider Type 27)), managed care plans, Head Start programs, and State Preschools in their jurisdiction. CHDP providers must order materials through their local CHDP program.

There are special instructions for Blood Lead Laboratories (Type 26). For more details, such laboratories should contact Eilene Watts with the CMS Branch Provider Services Unit at 916-324-9618.

Order Card (Provider Forms Reorder Request for CHDP)

Use the *Provider Forms Reorder Request for CHDP* when ordering from the EDS Print and Distribution Center. The reorder request is a self-addressed, gray post card. It lists CHDP form numbers and titles, as well as standard quantities. To obtain an order card, call the EDS Print and Distribution Center at 916-636-1907.

Completing an Order Card

When completing an order card, always type or print legibly. The numbers below correspond to the sample order card on page 12.

Local CHDP programs must indicate which version of the DHS 4073 is being ordered in the following manner:

1. To order CHDP Eligibility Information Forms (DHS 4073, versions prior to 7/03), use the first row on the order card. Indicate the language desired by either circling "ENG/SP" or writing the language in the blank space under the "Title" column. Available languages include English/Spanish, Armenian, Cambodian, Chinese, Hmong, Lao, and Vietnamese. You must also write "pink" in the "Other" column.
2. To order CHDP Pre-Enrollment Applications (DHS 4073, revised 7/03), use the second row on the order card. Indicate the language desired in the "Specify Other Languages" space under the "Title" column. Available languages include Armenian, Cambodian, Chinese, English, Farsi, Hmong, Korean, Lao, Russian, Spanish, and Vietnamese. You must also write "white" under the "Other" column.
3. Place an "X" in the column indicating the quantity desired (i.e., 100, 500, 1,000, or 1,500) for each item requested. If ordering more than one language, write the first two letters of the language in the appropriate "Quantity" column rather than an "X". For example, of ordering 100 copies of Cambodian, write "CA" under the 100 column.

Order a two to three month supply of each item.

4. Use the *Other* column if:

The quantity desired for an individual item differs from the preprinted amount. Enter the exact quantity in the *Other* column;

When ordering imprinted Information Only Confidential Screening/Billing Reports (PM 160 Info Only), write the word "Imprint" in the *Other* column. Note that only Federally Qualified Health

Clinics, Rural Health Clinics, and Pre-paid Health Plans¹ (3-digit project code) can receive imprinted copies of the Confidential Screening/Billing Reports (PM 160 Info Only).

5. Only local CHDP programs can receive Provider Data Sheets (PM 177) and Provider Forms Reorder Request for CHDP.
6. Enter the name of the county or city where the CHDP program is located.
7. Enter the telephone number (including area code) of the CHDP program staff member responsible for ordering materials from the EDS Print and Distribution Center.
8. The CHDP program staff member responsible for ordering materials from the EDS Print and Distribution Center must sign the card.
9. Enter the complete shipping address (including any room or floor numbers) where the forms are to be delivered.

Do not use postal boxes. The EDS Print and Distribution Center uses a private carrier and cannot ship to postal boxes.

Include an attention line identifying the person who is expecting the shipment of forms.

CHDP Program or Health Department must be included in the shipping address when ordering Confidential Screening/Billing Reports for Head Start/State Preschools (PM 160 HSP).

10. Enter the complete Provider Number or Pre-Paid Health Plan Code¹ (3-digit) only if ordering imprinted Confidential Screening/Billing Reports (either PM 160 or PM 160 Info Only). All imprint orders must include the Provider Number as it appears on the CHDP Business Objects Reporting System.² If the Provider Number is not indicated, the EDS Print and Distribution Center will ship blank forms. If the Provider Number is incorrect, inactive, or awaiting enrollment, the order will not be processed.
11. Enter the complete Provider Name and Address (including room numbers) only if ordering imprinted Confidential Screening/Billing Reports (either PM 160 or PM 160 Info Only). All imprint orders must include the Provider Name and Address exactly as they appear on the CHDP Business Objects Reporting System.² If the Provider Name and Address are not indicated, the EDS Print and Distribution Center will ship blank forms. If the Provider Name and Address are incorrect, inactive, or awaiting enrollment, the order will not be processed.

Submitting an Order

When the order card is complete, photocopy the order card and file the copy for future reference. Write the return address on the front of the card. If multiple orders are submitted simultaneously, place them in an envelope and write "Provider Forms Reorder Request Cards Enclosed" on the outside. Affix adequate postage and mail to:

Medi-Cal CHDP, Fiscal Intermediary
P.O. Box 15300
Sacramento, CA 95851-1300

Processing Orders

¹ Pre-paid Health Plans mean any Medi-Cal Managed Care Plan.

² If you need access to the CHDP Business Objects Reporting System, please ask your Deputy Director.

The EDS Print and Distribution Center processes orders as they are received. If local CHDP program staff have questions about a particular order, they should call the EDS Print and Distribution Center at 916-636-1907. Use the photocopy of the order card as a reference when calling. CHDP providers should not contact the EDS Print and Distribution Center directly.

Delivery takes two to three weeks. The EDS Print and Distribution Center will return incomplete or incorrect order cards to the local CHDP program along with the reason for non-fulfillment.

SAMPLE ORDER CARD

FISCAL INTERMEDIARY		PROVIDER FORMS REORDER REQUEST for CHDP

ELECTRONIC DATA SYSTEMS (EDS) PROGRAM SUPPORT CENTER

The new CHDP Provider Manual replaces the CHDP Program Provider Manual (PUB 157) and the PM 160 Instruction Manual (PM 160 INS).

As new providers enroll in the CHDP program, they will automatically be sent a CHDP Provider Manual. To order extra copies, providers should follow the instructions described in the section entitled "Manual Ordering C" in the CHDP Provider Manual. This section can be viewed online at: http://files.medi-cal.ca.gov/pubsdoco/publications/masters-MTP/Part1/0Cmnlorder_z00c00.doc.

. . .

Government agencies, including local CHDP programs, must contact the Electronic Data Systems (EDS) Provider Support Center (PSC) directly to order additional copies of the CHDP Provider Manual. The phone number is 1-800-541-5555.

NEWBORN HEARING SCREENING PROGRAM (NHSP)

NHSP, administered through the CMS Branch, has implemented a comprehensive statewide program to help identify hearing loss in infants. NHSP helps guide families to the appropriate diagnostic and intervention services for babies with hearing loss.

NHSP supplies targeted, informational materials to hearing screening and diagnostic service providers and parents. Local CHDP and CCS programs may order selected NHSP materials through the program office. For more information about these materials and ordering procedures call 916-322-5794 or e-mail jlinderman@dhs.ca.gov.

PRINT ON DEMAND FOR CUSTOMIZED CHDP PROGRAM MATERIALS

Who May Order

Only local CHDP programs may order customized CHDP Gateway Post-Visit Flyers (entitled *Your Child Now Has Free Temporary Medi-Cal Health Coverage*) for use by CHDP providers who enroll children through the CHDP Gateway. Local CHDP programs are responsible for ordering these materials for their local providers.

For information on obtaining CHDP Informing Brochures (entitled *Medical and Dental Health Check-Ups*), please consult the inventory lists.

Order Form

To order these customized materials, use the Order Form for Customized CHDP Materials (DHS 4483). This form can be obtained from the CHDP website. Go to www.dhs.ca.gov/chdp and click on *Forms and Publications*.

Completing an Order Form

When completing an order form, always type or print legibly.

1. Enter the date of the order.
2. Enter the complete shipping address, including any room or floor numbers. Do not use P.O. Boxes.
3. Enter the name of the county in which the CHDP program is located. City programs (e.g., Berkeley, Long Beach, and Pasadena) should also enter the name of the county in which they are located.
4. Enter the name of a contact person. This contact is needed in the event there are questions pertaining to the order. The contact person does not have to be the person in Item 5.
5. The CHDP program staff member responsible for ordering materials must sign the form. If that person is submitting the order via e-mail, no signature is needed.
6. Enter the e-mail address of the contact person.
7. Enter the telephone number of the contact person.
8. Enter the fax number of the contact person.

If ordering CHDP Post-Visit Flyers:

9. Enter the contact information to imprint on the brochure. The contact information should include the agency's name, address, and phone number. If the contact information is more than four lines, attach the remaining information on another piece of paper.

To order blank brochures, leave these boxes empty.

10. Enter the quantity of flyers being ordered. Order a four-to-five month supply. The minimum quantity is 1,000 copies per orders.

Submitting an Order

Orders may be submitted by fax, mail, or e-mail.

Fax: Fax the order form to Julie Linderman at 916-323-8104. Once the order has been faxed, file the original for future reference. Do not mail the original after it has been faxed.

Mail: Photocopy the completed order form. File the copy for future reference. Send the original order form to:

Julie Linderman
Children's Medical Services Branch
MS 8103, P.O. Box 997413
Sacramento, CA 95899-7413

E-Mail: Orders can be submitted by e-mail by following the directions on the CHDP website. Open the Microsoft Word version of the DHS 4483 located on the *Forms and Publications* webpage of the CHDP website (www.dhs.ca.gov/chdp). Type in the order information. Go to *Save As* under the *File* menu. Type in the file name (including the .doc extension), select the drive to save the file in, and click OK. Then create an e-mail message addressed to jlinderm@dhs.ca.gov. Attach the saved file to the body of the e-mail message. Send the e-mail message.

Processing Orders

Orders for CHDP Gateway Post-Visit Flyers are processed on the 15th of every month and should arrive after the 20th of the following month.

If you have questions concerning the status of a particular order, call Julie Linderman at 916-323-8092.

**WOMEN, INFANT, AND CHILDREN (WIC) SUPPLEMENTAL NUTRITION BRANCH
WAREHOUSE**

Local CHDP and CCS programs may order nutrition-related materials directly from the WIC Supplemental Nutrition Branch. Contact Candyce Dutro at 800-585-7341 or candyce.dutro@dgs.ca.gov. Let her know that you are with either CHDP or CCS and would like to order materials. She will provide you with ordering instructions and forms.

. . .

Private health care providers may purchase nutrition-related materials. For prices and ordering information, contact Linda Hancock at 916-928-8643 or Lhancock@dhs.ca.gov.

ADDITIONAL RESOURCES

ADDITIONAL RESOURCES

This section provides additional sources of educational and outreach materials with topics most relevant to CCS and CHDP programs. The list is not all-inclusive and should not be viewed as an endorsement by the CMS Branch.

California Birth Defects Monitoring Program (CBDMP)

CBDMP is devoted to finding the causes of birth defects. CBDMP maintains a registry of babies born with a complex birth defects, conducts large interview studies to gather information about factors which may be associated with birth defects, monitors rates and trends, and responds to community concerns about birth defects and the environment.

As part of their mission, CBDMP disseminates brochures, fact sheets, posters, videos, and research studies about birth defects. To access CBDMP materials, go to www.cbdmp.org and click on *Information on Selected Birth Defects* or *Program Publications*. Most CBDMP materials can be printed from the website. Other items can be ordered by calling CBDMP at 888-898-2229.

California Center for Childhood Injury Prevention (CCCIP)

CCCIP serves as a resource center on child and adolescent injury prevention strategies. CCCIP's primary mission is to reduce the frequency, severity, and cost of child and adolescent injuries by assisting public health agencies to incorporate injury prevention strategies into their efforts to improve the health and safety of young people.

Camera ready copies of *Be Safe Not Sorry: Safety Tip Sheets for Parents with Children from Birth to Age 20* and *Play It Safe - Play It Smart: Safety Tip Sheets for Adolescents 9 to 20* can be printed from the CCCIP website. To access them, go to www.cipp.org, click on *CCCIP Publications*, and then click on *Safety Sheets*.

California Connections

California Connections seeks to improve access to primary and preventive health services for children with special needs. They provide training and educational resources for providers and parents on topics such as dental health, mental health, nutrition, and family support. For prices and ordering information go to www.uscuap.org or call 323-671-3830.

Cancer Prevention and Nutrition Section (CPNS), California DHS

CPNS was established in 1986 to develop technical capacity for implementing large-scale dietary improvement measures. Its activities include the development of the *Five a Day for Better Health!* Campaign and the Sun Cancer Prevention Program.

To access CPNS materials, go to www.dhs.ca.gov/cpns and click on *CNPS Resources*. Select one of the campaigns: California Five a Day, Nutrition Network, Skin Cancer Prevention, Women's Five a Day, Latino Five a Day, or Power Play! If you do not have Internet access, call CPNS at 888-328-3483 or 916-323-0594.

Childhood Lead Poisoning Prevention Branch (CLPP), California DHS

To obtain educational materials on the effects of lead poisoning and prevention measures, local CHDP programs should contact their local CLPP program. The CLPP program will help to identify available materials from the CLPP Branch. Local CLPP program contacts can be found at www.dhs.ca.gov/childlead/html/POclpppC.html.

Department of Alcohol and Drug Programs (ADP)

ADP works to prevent and reduce substance abuse in California. ADP provides leadership and coordination in the planning and implementation of a statewide substance abuse prevention and treatment system.

ADP provides brochures, posters, technical manuals, and videos to government agencies, community organizations, treatment programs, and the general public. To access ADP materials, go to www.adp.ca.gov and click on *Resource Center*. From this page, there are links to the ADP's clearinghouse and lending library. Many of these items are available at no charge.

If you do not have Internet access, call 800-879-2772 or 916-327-3728.

Family Voices of California

Family Voices of California is a statewide grassroots network of families and friends speaking on behalf of children with special health care needs. The group is involved in several projects and works in partnership with agencies, advocates, and other professionals concerned with addressing the needs of families of children with special health care needs. Resource and networking materials can be found at <http://familyvoicesofca.org>.

Family Violence Prevention Fund (FVPF)

FVPF works to end domestic violence and help women and children whose lives are devastated by abuse. FVPF is a national non-profit organization committed to mobilizing health care professionals, law enforcement agencies, and community and advocacy groups to work to prevent family violence through public education campaigns, public policy reform, model training, and advocacy programs.

To purchase brochures, buttons, posters, and other materials, go to <http://endabuse.org> and click on *FVPF Store*. If you do not have Internet access, call FVPF at 415-252-8089.

Immunization Branch, California DHS

The Immunization Branch provides leadership and support to public and private sector efforts to protect the population against vaccine-preventable diseases. Educational materials and forms (e.g., California School Immunization Record, PM 286) can be printed from their website at www.dhs.ca.gov/ps/dcdc/izgroup.

To order hardcopies of materials or forms, contact your local immunization program coordinator. Click on *Local Health Department Listing* to find your city or county coordinators.

March of Dimes

The March of Dimes is a national voluntary health agency whose mission is to improve the health of babies by preventing birth defects and infant mortality. Founded in 1938, the March of Dimes funds programs for research, community services, education, and advocacy to save babies.

To purchase March of Dimes materials, go to www.modimes.org, click on *Health Library*, and then click on *Product Catalog*. If you do not have Internet access, call the March of Dimes at 888-663-4637 (general) or 800-367-6630 (orders).

National Information Center for Children and Youth with Disabilities (NICHCY)

NICHCY is a national organization that provides information on disabilities and disability-related issues for families, educators, and other professionals. NICHCY focuses on people under age 22.

To print NICHCY brochures, fact sheets, and posters, go to www.nichcy.org and click on *Publications*. If you do not have Internet access, contact the NICHCY at 800-695-0285 or 202-884-8200.

National Oral Health Information Clearinghouse (NOHIC)

NOHIC, a service of the National Institute of Dental and Craniofacial Research, helps meet the oral health information needs for special care patients. To obtain materials from NOHIC, go to www.nohic.nidcr.nih.gov and click on *Order Publications Online*. Most of their materials are free of charge. If you do not have Internet access, contact NOHIC at 301-402-7364.

Project LEAN, California DHS

Project LEAN's mission is to increase healthy eating and physical activity to reduce the prevalence of chronic diseases such as heart disease, cancer, stroke, osteoporosis, and diabetes. Project LEAN brochures, posters, and recipe cards can be viewed, printed, and/or purchased from the Internet. For more information, click on the *Consumer Materials* icon from their website at www.dhs.ca.gov/LEAN.
