Subject: 2012 Driving-Under-the-Influence (DUI) Program Directory of Service Providers

The Department of Alcohol and Drug Programs (ADP) has released the newly revised 2012 edition of the DUI Program Directory of Service Providers. In an attempt to provide interested parties the most current DUI program information, ADP has elected to distribute this edition and future updates via the internet. This method of distribution will allow ADP to update and provide the most accurate directory information several times per year. The directory is available for viewing or downloading from the following web address:
http://www.adp.ca.gov/Criminal_Justice/DUI/pdf/DUI_dir.pdf

As with previous editions, please submit changes and corrections to ADP utilizing the form located on the second page of the directory. ADP anticipates having updated editions of the directory posted to the Department's website during the months of June and September.

ADP understands that when referring participants to a licensed DUI program, it is imperative to have accurate program information available. ADP expects this method of distribution to better serve the needs of those utilizing this information.

If you have questions or comments regarding this process, please contact the DUI Program Branch at (916) 322-2964.

Sincerely,

A handwritten signature in black ink, appearing to read "Marlies Perez".
