

**Performance and Outcomes System for  
Medi-Cal Specialty Mental Health Services for Children and Youth**

**Stakeholder Advisory Committee  
October 4, 2012**

**Questions for Stakeholder Consideration**

1. Do you perceive a problem in the quality of Medi-Cal specialty mental health services provided to children and youth (hereafter called “children’s”)? If so, how would you describe the problem?
2. How would you define quality for children’s specialty mental health services?
3. How would you define desired outcomes for a children’s specialty mental health system?
4. What would you want to see from a performance and outcomes measurement system for children’s specialty mental health services?
5. Do you have an example of a good performance and outcomes system for children’s specialty mental health services that you can share with us?
