W&I Code, Section 14707.5

(a) It is the intent of the Legislature to develop a performance outcome system for Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) mental health services that will improve outcomes at the individual and system levels and will inform fiscal decision making related to the purchase of services.

(1) Commencing no later than September 1, 2012, the department shall convene a Stakeholder Advisory Committee comprised of representatives of child and youth clients, family members, providers, counties, and the Legislature. This consultation shall inform the creation of a plan for a performance outcome system for EPSDT mental health services.

(c) The State Department of Health Care Services shall provide the performance outcomes system plan, including milestones and timelines, for EPSDT mental health services described in subdivision (a) to all fiscal committees and appropriate policy committees of the Legislature no later than October 1, 2013.

(e) Commencing no later than February 1, 2014, the department shall convene a Stakeholder Advisory Committee comprised of advocates for and representatives of, child and youth clients, family members, managed care health plans, providers, counties, and the Legislature. The committee shall develop methods to routinely measure, assess, and communicate program information regarding informing, identifying, screening, assessing, referring, and linking Medi-Cal eligible beneficiaries to mental health services and supports. The committee shall also review health plan screenings for mental health illness, health plan referrals to Medi-Cal fee-for-service providers, and health plan referrals to county mental health plans, among others. The committee shall make recommendations to the department regarding performance and outcome measures that will contribute to improving timely access to appropriate care for Medi-Cal eligible beneficiaries.

(1) The department shall incorporate into the performance outcomes system established pursuant to this section the screenings and referrals described in this subdivision, including milestones and timelines, and shall provide an updated performance outcomes system plan to all fiscal committees and the appropriate policy committees of the Legislature no later than October 1, 2014.
