Dear Stakeholders:

WEBINAR TO DISCUSS THE DEVELOPMENT AND IMPLEMENTATION OF THE PROVIDER APPLICATION AND VALIDATION FOR ENROLLMENT SYSTEM

The Department of Health Care Services' Provider Enrollment Division (PED), invites you to the third in a series of stakeholder forums to solicit pre-implementation comments and suggestions for the **Provider Application and Validation for Enrollment (PAVE)** system. PAVE will transform provider enrollment activities from a manual process to a web-based portal that providers can use to complete and submit their application, verifications and report changes.

Improving the provider enrollment experience is a shared goal and your active participation is encouraged and appreciated.
