AGENDA

December 10, 2009

10:00 a.m. – 12:00 p.m.

CALOMS TX USERS GROUP CONFERENCE CALL

Call in number: (877-536-5793)

Participant ID Code: 367471

10:00 a.m.– 10:05 a.m. ▪ **Introductions, Purpose & Goals of User Group Regional Meetings**

- **What's on the CalOMS Tx Horizon**
 - **NTP data clean-up is due January 15, 2010**
 - **DCP TAAPS reconciliation is due January 15, 2010**

10:05 a.m.– 11: 55 a.m. ▪ **What are the "hot" CalOMS Tx issues/concerns in your county?**
Questions sent in for this meeting:

- "Communicating ADP Staff Changes". For example liaison staff changes or a key personnel change such as Wesley leaving.
- Form Serial Number (FSN) issue.
- Clarification of use of funds for Discharges (meeting notes were updated)
- CalOMS Tx Provider Report access
- Cases with admissions from before CALOMS came on line. What is the recommendation about resolving old admissions with mismatches on discharge records?
- How should we resolve duplicate records in Annual Updates?
- What is the protocol for resubmitting discharges when the provider site are closed or not contracting with DADS?
- What is the procedure for notifying ADP in the event of discrepancy between the list of current providers reporting to CALOMS? (Our contracts can change every year, as they did this year).
- ADP's Revised CalOMS Tx Webpage with 2010 CalOMS Tx Calendar

11:55–12:00

Wrap-up

Website &
