

Medi-Cal Administrative Activities (MAA) Program

Medi-Cal Percentage

Training Unified School District

Region: 12
District CDS: 00000

Quarterly file received:	2	Quarterly file received:	4
Original # in file: (undup)	1799	Original # in file: (undup)	1817
Medi-Cal clients in file:	713	Medi-Cal clients in file:	717
1st Tape Match Percentage:	39.63%	2nd Tape Match Percentage:	39.46%
<i>Use for 1st and 2nd invoices</i>		<i>Use for 3rd and 4th invoices</i>	

The methodology used for the Medi-Cal percentage is the actual client count. The actual client count is determined by dividing the total number of Medi-Cal clients by the total number of all individuals served by the claiming unit for the applicable quarter.
