David Maxwell-Jolly, Director, DHCS

CCS Charter

Policy questions for the TWG to answer

- Could the care of some CCS eligible medical conditions be delivered within in the context of a managed care plan?
- What approaches in the delivery of care for children with CCS eligible medical conditions can be designed to effectively manage and coordinate all of the children's health care needs?
- How can these approaches be implemented and tested?

Deliverables

10:45 to 11:45 CCS Program Overview
Marian Dalsey, M.D., M.P.H., Medical Consultant, Children's Medical Services Branch

11:45 to 12:45 Options for organizing the delivery of care: What are they and how do they work?

Alice Lind, R.N., M.P.H., Senior Clinical Officer
Center for Health Care Strategies

- Administrative Service Organization
- Accountable Care Organization
- Enhanced Primary Care Case Management
- Specialty Managed Care Organization

How might these options work for children eligible for the CCS program?

12:45 to 1:00 Lunch

1:00 to 2:15 What are the essential elements of the CCS program that need to be maintained in a new model of care delivery?

2:15 to 2:30 Next steps
