

## Final and Interim Claim Update for Hospitals

Effective retroactively for dates of service on or after July 1, 2013, hospital providers may submit a final claim or an interim claim for level 1 or level 2 administrative day stays with revenue code 169, 190 or 199, and rehabilitation stays with revenue code 118, 128, 138 or 158. Claims can be billed for any length of stay with the appropriate type of bill code and patient discharge status code.
