¹Total Eligibles are based on 11/12 months continuous eligibility with no more than a one-month gap

²Beneficiaries, ages 0-6, who received at least one preventive service during the measurement period.

³Beneficiaries, ages 0-6 who received at least one restorative service during the measurement period.

⁴The ratio of beneficiaries, age 0-6, who received at least one preventive service to beneficiaries, age 0-6, who received at least one restorative service.
