TO: COUNTY ADMINISTRATORS

DRIVING UNDER THE INFLUENCE PROGRAM PROVIDERS

SUBJECT: Call for Input-Training Opportunity with Department of Motor Vehicles,
Mandatory Action Unit

The purpose of this letter is to solicit input from all Driving Under the Influence (DUI) program providers and DUI stakeholders in a planning effort for development of a web based training on behalf of the Department of Health Care Services (DHCS) in partnership with the Department of Motor Vehicles' (DMV), Mandatory Action Unit (MAU).

Please provide DHCS with pertinent questions or areas of interest you would like addressed by DMV/MAU. The goal is to gather specific questions as related to the DUI field and develop a webinar presentation that will be available to all interested stakeholders. Development of this webinar provides a great opportunity for receiving answers to your questions in addition to hearing inquiries raised by your peers in the DUI field as related to California's vehicle codes and licensing actions.

The long term goal of this endeavor is to develop a list of Frequently Asked Questions of DMV/MAU, which will become available on DHCS' website for future reference.

Please submit your input/questions/responses via email to Sydney M. Treat, DUI Unit Supervisor at Syd.Treat@dhcs.ca.gov by **February 26th 2014**. The goal is to have the webinar complete and ready for presentation by mid-April.

On behalf of DHCS and DMV, thank you for your time and commitment in assisting with the development of this training opportunity for DUI providers and other interested individuals. Without your input, we fail to obtain our goal of delivering comprehensive learning opportunities for the DUI field.

Sincerely,

/s/
