  - 2) In addition to the requirements set forth in Exhibit A, Attachment 9, Access and Availability, Provision 16. Out-of-Network Providers, Contractor shall allow an LIHP Member to remain with their Primary Care Provider even if the Provider is not part of Contractor's provider network. If there are no known quality of care issues and the provider will accept Contractor or Medi-Cal FFS rates, whichever is higher, then Contractor shall allow continued access to that Provider for a period of no more than 12 months from the date of the transition into the Medi-Cal program.
- B. In the event that an LIHP Member is unable to remain with their Primary Care Provider, and either selects or is assigned to a new Primary Care Provider, Contractor shall require the new Primary Care Provider to complete an IHA in accordance with the requirements set forth in Exhibit A, Attachment 10, Scope of Services, Provision 3. Initial Health Assessment (IHA). No new IHA shall be required if the LIHP Member has had an IHA done within the last 12 months and:
- 1) The LIHP Member remains with their Primary Care Provider; or
  - 2) Contractor is able to obtain the LIHP Member's most recent IHA information and share it with the new Primary Care Provider.
- C. Contractor shall authorize the provision of services for open Treatment Authorization Requests (TARs) and approved medications in order to ensure that health care needs identified for an LIHP Member by an LIHP plan will be provided without unnecessary delay.

BUDGET DETAIL AND PAYMENT**

**1. Budget Contingency Clause**

- A. It is mutually agreed that if the Budget Act of the current year or any subsequent years covered under this Contract does not appropriate sufficient funds for the program, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Contract, and Contractor shall not be obligated to perform any provisions of this Contract. Further, should funding for any fiscal year be reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to:
- 1) Cancel this Contract with no liability occurring to the State and no further obligation by Contractor to perform, or
  - 2) Offer an Agreement amendment to Contractor to reflect the reduced amount.
- B. All payments and rate adjustments are subject to appropriations of Medi-Cal funds by the Legislature and may require Department of Finance approval. Further, all payments are subject to the availability of Federal congressional appropriation of funds.

**2. Amounts Payable**

Any requirement of performance by the State and Contractor for the period of the Contract will be dependent upon the availability of future appropriations by the Legislature for the purpose of the Medi-Cal program.

**3. Contractor Risk In Providing Services**

Contractor will assume the total risk of providing the Covered Services on the basis of the periodic capitation payment for each Member, except as otherwise allowed in this Contract. Any monies not expended by the Contractor after having fulfilled obligations under this Contract will be retained by the Contractor.

**4. Capitation Rates**

- A. DHCS shall remit to Contractor a capitation payment each month for each Medi-Cal Member that appears on the approved list of Members supplied to Contractor by DHCS. - B. If DHCS creates a new aid code that is split or derived from an existing aid code covered under this Contract, and the aid code has a neutral revenue effect for the Contractor, then the split aid code will automatically be included in the same aid code rate group as the original aid code covered under this Contract. Contractor agrees to continue providing Covered Services to the Members at the monthly capitation rate specified for the original aid code. DHCS shall confirm all aid code splits, and the rates of payment for such new aid codes, in writing to Contractor as soon as practicable after such aid code splits occur.

**Exhibit B**  
**BUDGET DETAIL AND PAYMENT**

- C. Pursuant to 438.6(c)(2)(ii), the actuarial basis for the computation of the capitation payment rates shall be set forth in DHCS' most recent version of the annually-published Rate Manual for the rate period that is identified above. Said Rate Manual is incorporated by reference in Exhibit E, Provision 1.

**5. Capitation Rates Constitute Payment In Full**

The capitation rates for each rate period, as calculated by DHCS, are prospective rates and constitute payment in full subject to any stop loss reinsurance on behalf of a Member for all Covered Services required by the Member and for all Administrative Costs incurred by the Contractor in providing or arranging for those services. DHCS is not responsible for making payments for recoupment of losses.

**6. Determination of Rates**

- A. DHCS shall determine the capitation rates for the Contract effective date of Operations, through the duration of the Contract. DHCS shall make an annual redetermination of rates in accordance with Title 22 CCR Sections 53321 and 53322 for each rate year defined as the 12-month period from January 1 through December 31. DHCS reserves the right to establish rates on an actuarial basis for each rate year. All payments and rate adjustments are subject to appropriations of funds by the Legislature and the Department of Finance approval. Further, all payments are subject to the availability of Federal congressional appropriation of funds.
- B. Once DHCS establishes rates on an actuarially sound basis, it shall determine whether the rates shall be increased, decreased, or remain the same. If it is determined by DHCS that Contractor's capitation rates shall be increased or decreased, the increase or decrease shall be effectuated through a change order to this Contract in accordance with the provisions of Exhibit E, Attachment 2, Provision 4, Change Requirements, subject to the following provisions:
- 1) The change order shall be effective as of January 1 of each year covered by this Contract.
  - 2) In the event there is any delay in a determination to increase or decrease capitation rates, so that a change order may not be processed in time to permit payment of new rates commencing January 1, the payment to Contractor shall continue at the rates then in effect. Those continued payments shall constitute interim payment only. Upon final approval of the change order providing

**Exhibit B**  
**BUDGET DETAIL AND PAYMENT**

for the rate change, DHCS shall make retroactive adjustments for those months for which interim payment was made.

- 3) By accepting payment of new annual rates prior to full approval by all control agencies of the change order to this Contract implementing such new rates, Contractor stipulates to a confession of judgment for any amounts received in excess of the final approved rate. If the final approved rate differs from the rates established by DHCS or agreed upon by Contractor and DHCS:
  - a) Any underpayment by the State shall be paid to Contractor within 30 calendar days after final approval of the new rates.
  - b) Any overpayment to Contractor shall be recaptured by the State's withholding the amount due from Contractor's next capitation check. If the amount to be withheld from that capitation check exceeds 25 percent of the capitation payment for that month, amounts up to 25 percent shall be withheld from successive capitation payments until the overpayment is fully recovered by the State.
- 4) If mutual agreement between DHCS and Contractor cannot be attained on capitation rates for rate years subsequent to January 1, 2011 resulting from a rate change pursuant to this Provision 6 or Provision 7 below, Contractor shall retain the right to terminate the Contract in accordance with Exhibit E, Attachment 2, Provision 13, Termination. Notification of intent to terminate a Contract shall be in writing and provided to DHCS at least nine months prior to the effective date of termination, subject to any earlier termination date negotiated in accordance with Exhibit E, Attachment 2, Provision 13, regarding Termination – Contractor. DHCS shall pay the capitation rates last offered for that rate period until the Contract is terminated.
- 5) DHCS shall make every effort to notify and consult with Contractor regarding proposed redetermination of rates pursuant to this section or Provision 7, below at the earliest possible time prior to implementation of the new rate.

**7. Redetermination of Rates - Obligation Changes**

The capitation rates may be adjusted during the rate year to provide for a change in obligations that results in an increase or decrease of more than one percent of cost (as defined in Title 22 CCR Section 53322) to the Contractor. Any

**Exhibit B  
BUDGET DETAIL AND PAYMENT**

adjustments shall be effectuated through a change order to the Contract subject to the following provisions:

- A. The change order shall be effective as of the first day of the month in which the change in obligations is effective, as determined by DHCS.
- B. In the event DHCS is unable to process the change order in time to permit payment of the adjusted rates as of the month in which the change in obligations is effective, payment to Contractor shall continue at the rates then in effect. Continued payment shall constitute interim payment only. Upon final approval of the change order providing for the change in obligations, DHCS shall make adjustments for those months for which interim payment was made.
- C. DHCS and Contractor may negotiate an earlier termination date, pursuant to Exhibit E, Attachment 2, Provision 14, regarding Termination – Contractor, if a change in contractual obligations is created by a State or Federal change in the Medi-Cal program, or a lawsuit, that substantially alters the financial assumptions and conditions under which Contractor entered into this Contract, such that Contractor can demonstrate to the satisfaction of DHCS that it cannot remain financially solvent until the termination date that would otherwise be established under this provision. Notification of intent to terminate a Contract shall be in writing and provided to DHCS at least nine months prior to the effective date of termination, subject to any earlier termination date negotiated in accordance with Exhibit E, Attachment 2, Provision 14, regarding Termination – Contractor. DHCS shall pay the capitation rates last offered for that rate period until the Contract is terminated.

**8. Reinsurance**

Contractor may obtain reinsurance (stop loss coverage) to ensure maintenance of adequate capital by Contractor for the cost of providing Covered Services under this Contract. Pursuant to Title 22 CCR Section 53252 (a)(2)(A)&(B), reinsurance shall not limit Contractor's liability below \$5,000 per Member for any 12-month period as specified by DHCS, and Contractor may obtain reinsurance for the total cost of services provided to Members by non-contractor emergency service providers and for 90 percent of all costs exceeding 115 percent of its income during any Contractor fiscal year.

**9. Catastrophic Coverage Limitation**

DHCS may limit the Contractor's liability to provide or arrange and pay for care for illness of, or injury to Members, which results from or is greatly aggravated by, a catastrophic occurrence or disaster. Contractor will return a prorated amount

**Exhibit B**  
**BUDGET DETAIL AND PAYMENT**

of the capitation payment following the DHCS Director's invocation of the catastrophic coverage limitation. The amount returned will be determined by dividing the total capitation payment by the number of days in the month. The amount will be returned to DHCS for each day in the month after the Director has invoked the Catastrophic Coverage Limitation clause.

**10. Financial Performance Guarantee**

Contractor shall provide satisfactory evidence of and maintain Financial Performance Guarantee in an amount equal to at least one month's capitation payment, in a manner specified by DHCS. At the Contractor's request, and with DHCS approval, Contractor may establish a phase-in schedule to accumulate the required Financial Performance Guarantee. Contractor may elect to satisfy the Financial Performance Guarantee requirement by receiving payment on a post payment basis. The Financial Performance Guarantee shall remain in effect for a period not exceeding 90 calendar days following termination or expiration of this Contract or unless DHCS has a financial claim against Contractor. Further rights and obligations of the Contractor and DHCS, in regards to Financial Performance guarantee, shall be as specified in 22 CCR 53865.

**11. Recovery Of Capitation Payments**

DHCS shall have the right to recover from Contractor amounts paid to Contractor in the following circumstances as specified:

- A. If DHCS determines that a Member has either been improperly enrolled due to ineligibility of the Member to enroll in Contractor's plan, residence outside of Contractor's Service Area, or should have been disenrolled with an effective date in a prior month, DHCS may recover the capitation payments made to Contractor for the Member for the month(s) in question. In such event, Contractor may seek to recover any payments made to providers for Covered Services rendered for the month(s) in question. Contractor shall inform providers that claims for services provided to Members during the month(s) in question shall be paid by DHCS fiscal intermediary, if the Member is determined eligible for the Medi-Cal program.

Upon request by Contractor, DHCS may allow Contractor to retain the capitation payments made for Members that are eligible to enroll in Contractor's plan, but should have been retroactively disenrolled pursuant to Exhibit A, Attachment 11, Provision 18. Excluded Services Requiring Member Disenrollment, or under other circumstances as approved by DHCS. If Contractor retains the capitation payments, Contractor shall provide or arrange and pay for all Medically Necessary Covered Services

**Exhibit B**  
**BUDGET DETAIL AND PAYMENT**

for the Member, until the Member is disenrolled on a nonretroactive basis pursuant to Exhibit A, Attachment 16, Provision 3, Disenrollment.

- B. As a result of Contractor's failure to perform contractual responsibilities to comply with mandatory federal Medicaid requirements, the Federal Department of Health and Human Services (DHHS) may disallow Federal Financial Participation (FFP) for payments made by DHCS to Contractor. DHCS may recover the amounts disallowed by DHHS by an offset to the capitation payments made to Contractor. If recovery of the full amount at one time imposes a financial hardship on Contractor, DHCS at its discretion may grant a Contractor's request to repay the recoverable amounts in monthly installments over a period of consecutive months not to exceed six (6) months.
- C. If DHCS determines that an improper payment was received by Contractor for any reason not referenced in Subprovision A or B, which may include, but is not limited to, error, mistake, omission, inadvertence, delay or neglect on the part of DHCS or other entity or person, DHCS may recover the amounts determined by an offset to the capitation payments made to Contractor in accordance with Welfare and Institutions Code Section 14115.5. If recovery of the full amount at one time imposes a financial hardship on Contractor, DHCS, at its discretion, may grant a Contractor's request to repay the recoverable amounts in monthly installments over a period of consecutive months not to exceed six (6) months. At least 30 days prior to seeking such recovery, DHCS shall notify Contractor to explain the improper or erroneous nature of the payment and to describe the recovery process. If the amount to be withheld from that capitation check exceeds 25 percent of the capitation payment for that month, amounts up to 25 percent shall be withheld from successive capitation payments until the overpayment is fully recovered by DHCS.

**12. Supplemental Maternity Payment**

- A. Contractor shall be entitled to receive a Supplemental Maternity Payment for Members enrolled with the Contractor on the date of delivery of a child, including retroactive enrollments.
- B. The Supplemental Maternity Payment reimburses the Contractor for the cost of Delivery. The Supplemental Maternity Payment is in addition to the monthly Capitation Rate paid by DHCS to the Contractor for the Member.
- C. Contractor must maintain on file evidence of payment of the Delivery. Failure to have supporting records may, upon audit, result in recoupment of the Supplemental Maternity Payment by DHCS.

**Exhibit B  
BUDGET DETAIL AND PAYMENT**

- 1) Contractor shall submit data for the Supplemental Maternity Capitation Payment as specified in Exhibit A, Attachment 3, Provision 6.
- 2) When birth notification data is received:
  - a) Within fifteen months of the Delivery date of a child (or children) born to a Member, the Contractor will receive the full Supplemental Maternity Payment.
  - b) After the fifteenth month following the month of the Delivery date of a child (or children) born to a Member, the Contractor will not receive a Maternity Capitation Payment.

**13. Payment for Community Based Adult Services (CBAS)**

- A. Contractor shall be paid a monthly capitation payment for each Member who receives CBAS. Capitation payments are based on the Member's aid code grouping as specified in Exhibit B, Provision 3, Capitation Rates. Payments shall be made in accordance with the schedule of capitation payment rates at the end of the month. The payment period for health care services shall commence on October 1, 2012.
- B. In addition to the monthly capitation payment, Contractor shall receive a supplemental payment for each Member who receives CBAS. For each Member who receives CBAS, the CBAS payment shall total the amount specified below and be paid for the current month of service.

<b>For the period 10/01/12 – 12/31/13</b>	<b>CBAS Payment</b>
CBAS County Members	\$

- C. On a monthly basis, by the fifteenth calendar day following the end of each month and in a format specified by DHCS, Contractor shall submit a report of Medi-Cal Managed Care CBAS Payment (CBAS Payment Report), which shall identify the Members receiving CBAS for whom the payment amount is being claimed. For each Member listed on the CBAS Payment Report, DHCS will pay a total amount as shown in the schedule.

**14. Medical Loss Ratio (MLR)**

- A. Establishment of Medical Loss Ratio (MLR)

For Adult Expansion Members, DHCS shall make additional assumptions to the benefit of both the State and Contractor for this risk mitigation

**Exhibit B  
BUDGET DETAIL AND PAYMENT**

provision using Medical Loss Ratio (MLR). DHCS shall perform MLR calculations for the incurred periods stated below. Incurred dates align with the Net Capitation Payments and service dates of the Allowed Medical Expenses.

- 1) DHCS shall perform MLR calculations for the incurred periods (incurred dates align with the net capitation payments and service dates of the Allowed Medical Expenses) of January 1, 2014 to June 30, 2015, the first period, and July 1, 2015 to June 30, 2016, the second period.
- 2) For each period, DHCS or its designee will initiate the MLR calculation 12 months after the end of each incurred period.
- 3) DHCS will give consideration to paid claims data through June 30, 2016, for services incurred during the first period, and June 30, 2017, for the second period.
- 4) Contractor shall provide and certify the MLR data and shall be subject to review or audit by DHCS or its designee.
- 5) The MLR provision applies to this Contract only and will end with capitation and incurred dates as of June 30, 2016.

**B. Medical Loss Ratio Corridor**

This Contract shall provide a corridor pertaining to MLR for Adult Expansion Members.

- 1) Contractor shall be required to expend at least 85 percent of Net Capitation Payments received on Allowed Medical Expenses for Adult Expansion Members, for each county. If Contractor does not meet the minimum 85 percent MLR threshold for a given county, then Contractor shall return the difference between 85 percent of total Net Capitation Payments to Contractor and actual Allowed Medical Expenses incurred for that county to the State.
- 2) After completion of the MLR calculation, if it is determined that Contractor's MLR is less than 85 percent for a given county, then

**Exhibit B  
BUDGET DETAIL AND PAYMENT**

DHCS will notify Contractor of the capitation payments to be returned to the State.

- 3) Contractor shall remit to State the full amount due within 90 calendar days of the date DHCS provides notice to Contractor of that amount.
- 4) Contractor protection is included for Allowed Medical Expenses above 95 percent of the total Net Capitation Payments received by Contractor for Adult Expansion Members, for each county.
  - a) If Contractor's MLR exceeds 95 percent of total Net Capitation Payments under this Contract for a given county, then DHCS shall make additional payment to Contractor.
  - b) This additional payment from DHCS to Contractor will be the difference between the Contractor's Allowed Medical Expenses and 95 percent of Net Capitation Payments received for that county.
  - c) DHCS shall remit this payment to Contractor within 90 days of completion of this calculation.
- 5) If the MLR is between 85 percent and 95 percent of total Net Capitation Payments to Contractor under this Contract, then there will not be a MLR adjustment from Contractor to DHCS or from DHCS to Contractor.

**C. Final Rates of Payment**

For Adult Expansion Members, the actual payment rate for providing Covered Services under this Contract may differ from the rates initially included in this Contract, or the negotiated rate.

- 1) Actual payments may be adjusted if an adjustment is required subject to the provisions of this MLR methodology. Both Contractor and DHCS agree to accept the final payment levels that result from the MLR methodology calculation.

**Exhibit B  
BUDGET DETAIL AND PAYMENT**

- 2) As a payment corridor, it is explicitly provided that this payment provision may result in payment by Contractor to DHCS or by DHCS to Contractor.
- 3) In the event of a change in capitation rate for Adult Expansion Members, for each period provided in this Provision, a MLR calculation in accordance with the requirements of this Provision shall be re-determined.
- 4) Subsequent to this re-determination, adjustments to payments in accordance with this Provision may result in changes in payment by Contractor to DHCS or by DHCS to Contractor.

**D. Medical Loss Ratio Disputes**

Contractor shall have the opportunity to appeal a determination, through an appeal process defined by DHCS, that the 85 percent threshold has not been met and provide evidence that the required minimum has been met.

Except for termination pursuant to Paragraph B, item 3) above, Contractor may dispute the termination decision through the dispute resolution process pursuant to Provision 17, Disputes. Termination of the Contract shall be effective on the last day of the month in which the Secretary, DHHS, or the DMHC makes such determination, provided that DHCS provides Contractor with at least 60 calendar days' notice of termination. The termination of this Contract shall be effective on the last day of the second full month from the date of the notice of termination. Contractor agrees that 60 calendar days' notice is reasonable. Termination under this section does not relieve Contractor of its obligations under Provision 14 Phaseout Requirements below. Phaseout Requirements shall be performed after Contract termination.

C. Termination Without Cause – Contractor

- 1) Contractor may terminate this Contract without cause by giving written notice of termination to DHCS at least six (6) months prior to the effective date of the termination.

Such termination shall not take effect more than 6 months after DHCS has made its determination that Contractor cannot remain financially solvent through the term of the Contract.

At the same time and along with Contractor's written notice of termination, Contractor shall submit a complete and detailed written financial analysis to DHCS supporting its conclusions that it cannot remain financially solvent. At the request of DHCS, Contractor shall submit or otherwise make conveniently and timely available to DHCS, all of Contractor's financial work papers, financial reports,

**D. Termination of Obligations**

All obligations to provide Covered Services under this Contract or Contract extension will automatically terminate on the date the Operations Period ends.

**E. Notice to Members of Transfer of Care**

At least 90 calendar days prior to termination or expiration of this Contract, Contractor will notify Members of Contractor's withdrawal from the Medi-Cal Geographic Managed Care Program's Service Area covered by this Contract. If all Phaseout activities for the Service Area are completed by the end of the Phaseout Period, the withhold will be paid to the Contractor. If the Contractor fails to meet any requirement(s) by the end of the Phaseout Period for the Service Area, DHCS will deduct the costs of the remaining activities from the withhold amount and continue to withhold payment until all activities are completed.

Ninety calendar days prior to termination or expiration of this Contract and through the Phaseout Period for the Service Area, the Contractor shall assist DHCS in the transition of Members, and in ensuring, to the extent possible, continuity of Member-Provider relationships. In doing this, the Contractor will make available to DHCS copies of Medical Records, patient files, and any other pertinent information, including information maintained by any subcontractor, necessary for efficient case management of Members, as determined by the Director. In no circumstances will a Medi-Cal Member be billed for this activity.

- C. Phaseout for this Contract will consist of the processing, payment and monetary reconciliation(s) necessary regarding claims for payment for Covered Services.

Phaseout for the Contract will consist of the completion of all financial and reporting obligations of the Contractor. The Contractor will remain liable for the processing and payment of invoices and other claims for payment for Covered Services and other services provided to Members pursuant to this Contract prior to the expiration or termination. If required by DHCS, Contractor shall ensure subcontractors cease specified activities, which may include, but are not limited to, referrals, assignment of beneficiaries, and reporting, until DHCS determines that Contractor is again in compliance.

- A. In the event DHCS finds Contractor non-compliant with any provisions of this Contract, applicable statutes or regulations, DHCS may impose sanctions provided in Welfare and Institutions Code Section 14304 and 22 CCR 53872 as modified for purposes of this Contract. 22 CCR 53872 is so modified as follows:

- E. The Director shall have the power and authority to take one or more of the following sanctions against Contractor for noncompliance:
  - 1) Appointment of temporary management if Contractor has repeatedly failed to meet the contractual requirements or applicable Federal and State law or regulation. Contractor cannot delay appointment of temporary management to provide a hearing before appointment. Temporary management will not be terminated until DHCS determines that Contractor's sanctioned behavior will not recur.
  - 2) Suspension of all new enrollment, including default enrollment, or marketing activities after the effective date of the sanction;
  - 3) Require Contractor to temporarily suspend or terminate personnel or subcontractors.
  - 4) Take other appropriate action as determined necessary by DHCS.

  - 4) During the Implementation Period, Contractor shall submit or complete the outstanding requirement(s) specified in the written notice within 5 working days from the date of the notice, unless, subject to the Contracting Officer's written approval, Contractor submits a written request for an extension. The request must include the following: the requirement(s) requiring an extension; the reason for the delay; and the proposed date of the submission of the requirement.
  - 5) During the Implementation Period, if Contractor has not performed or completed an Implementation Period requirement or secured an extension for the submission of the outstanding requirement, DHCS may impose liquidated damages for the amount specified in Subprovision B Liquidated Damages for Violation of Contract Terms Regarding the Implementation Period.
  - 6) During the Operations Period, Contractor shall demonstrate the provision or performance of Contractor's requirement(s) specified in the written notice within a 30 calendar day Corrective Action period from the date of the notice, unless a request for an extension is submitted to the Contracting Officer, subject to DHCS' approval, within 5 calendar days from the end of the Corrective Action period.

**Exhibit E, Attachment 2  
PROGRAM TERMS AND CONDITIONS**

If Contractor has not demonstrated the provision or performance of Contractor's requirement(s) specified in the written notice during the Corrective Action period, DHCS may impose liquidated damages for each day the specified Contractor's requirement is not performed or provided for the amount specified in Subprovision C Liquidated Damages for Violation of Contract Terms or Regulations Regarding the Operations Period.

- 7) During the Operations Period, if Contractor has not performed or provided Contractor's requirement(s) specified in the written notice or secured the written approval for an extension, after 30 calendar days from the first day of the imposition of liquidated damages, DHCS shall notify Contractor in writing of the increase of the liquidated damages to the amount specified in Subprovision C Liquidated Damages for Violation of Contract Terms or Regulations Regarding the Operations Period.

Nothing in this Provision shall be construed as relieving Contractor from performing any other Contract duty not listed herein, nor is the State's right to enforce or to seek other remedies for failure to perform any other Contract duty hereby diminished.

**B. Liquidated Damages for Violation of Contract Terms Regarding the Implementation Period**

DHCS may impose liquidated damages of \$25,000 per requirement specified in the written notice for each day of the delay in completion or submission of Implementation Period requirements beyond the Implementation Period as specified in Provision 13 Term above.

If DHCS determines that a delay or other non-performance was caused in part by the State, DHCS will reduce the liquidated damages proportionately.

**C. Liquidated Damages for Violation of Contract Terms or Regulations Regarding the Operations Period shall at a minimum include:**

**Exhibit E, Attachment 2  
PROGRAM TERMS AND CONDITIONS**

1) Site Reviews

Liquidated damages will cease on the day of the Contractor's certification only if subsequent verification of the correction by DHCS establishes that the correction has been made in the manner and at the time certified to by the Contractor.

The Contracting Officer will determine whether the necessary level of documentation has been submitted to verify corrections. The Contracting Officer will be the sole judge of the sufficiency and accuracy of any documentation. Corrections must be sustained for a reasonable period of at least 90 calendar days from DHCS acceptance; otherwise, liquidated

E. Severability of Individual Liquidated Damages Clauses

If any portion of these liquidated damages provisions is determined to be unenforceable, the other portions will remain in full force and effect.

**17. Disputes**

This Disputes section will be used by the Contractor as the means of seeking resolution of disputes on contractual issues.

Filing a dispute will not preclude DHCS from recouping the value of the amount in dispute from the Contractor or from offsetting this amount from subsequent capitation payment(s). If the amount to be recouped exceeds 25 percent of the capitation payment, amounts of up to 25 percent will be withheld from successive capitation payments until the amount in dispute is fully recouped.

**3. Enrollment**

The parties to this Contract agree that the primary purpose of DHCS' Medi-Cal managed care system is to improve quality and access to care for Medi-Cal beneficiaries. The parties acknowledge that the Medi-Cal eligibility process and the managed care enrollment system are dynamic and complex programs. The parties also acknowledge that it is impractical to ensure that every beneficiary eligible for enrollment in the Contractor's plan will be enrolled in a timely manner. Furthermore, the parties recognize that for a variety of reasons some Eligible Beneficiaries will not be enrolled in Contractor's plan and will receive Covered Services in the Medi-Cal fee-for-service system. These reasons include, but are not limited to, the exclusion of some beneficiaries from participating in Medi-Cal managed care, the time it takes to enroll beneficiaries, and the lack of a current valid address for some beneficiaries. The parties' desire to work together in a cooperative manner so that Eligible Beneficiaries who choose to or should be assigned to Contractor's plan are enrolled in Contractor's plan pursuant to the requirements of Provision 4. The parties agree that to accomplish this goal it is necessary to be reasonably flexible with regard to the enrollment process.

If DHCS does not complete its review of submitted material within 60 calendar days of receipt, Contractor may elect to implement or use the material at Contractor's sole risk and subject to possible subsequent disapproval by DHCS. This Provision shall not be construed to imply DHCS approval of any material that has not received written DHCS approval. This Provision shall not apply to Subcontracts or sub-subcontracts subject to DHCS approval in accordance with Exhibit A, Attachment 6, Provision 12, Subprovisions C and D.

**6. Risk Limitation**

Except as provided in Exhibit B, Provision 12, there will be no risk limitation and Contractor will have full financial liability to provide Medically Necessary Covered Services to Members.

**7. Member Notification**

A breach shall be treated as discovered by Business Associate as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Business Associate.

Notice shall be provided to the DHCS Program Contract Manager, the DHCS Privacy Officer and the DHCS Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic PHI, notice shall be provided by calling the DHCS ITSD Service Desk. Notice shall be made using the "DHCS Privacy Incident Report" form, including all information known at the time. Business Associate shall use the most current version of this form, which is posted on the DHCS Privacy Office website ([www.dhcs.ca.gov](http://www.dhcs.ca.gov), then select "Privacy" in the left column and then "Business Use" near the middle of the page) or use this link: <http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnline.aspx>

- corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If DHCS requests information in addition to that listed on the "DHCS Privacy Incident Report" form, Business Associate shall make reasonable efforts to provide DHCS with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "DHCS Privacy Incident Report" form. DHCS will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.
4. ***Notification of Individuals.*** If the cause of a breach of PHI or PI is attributable to Business Associate or its subcontractors, agents or vendors, Business Associate shall notify individuals of the breach or unauthorized use or disclosure when notification is required under state or federal law and shall pay any costs of such notifications, as well as any costs associated with the breach. 5. ***Responsibility for Reporting of Breaches.*** If the cause of a breach of PHI or PI is attributable to Business Associate or its agents, subcontractors or vendors, Business Associate is responsible for all required reporting of the breach as specified in 42 U.S.C. section 17932 and its implementing regulations, including notification to media outlets and to the Secretary. If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to DHCS in addition to Business Associate, Business Associate shall notify DHCS, and DHCS and Business Associate may take appropriate action to prevent duplicate reporting. The breach reporting requirements of this paragraph are in addition to the reporting requirements set forth in subsection 1, above.

**V. Audits, Inspection and Enforcement**

Business Associate shall promptly remedy any violation of any provision of this Addendum and shall certify the same to the DHCS Privacy Officer in writing. The fact that DHCS inspects, or fails to inspect, or has the right to inspect, Business Associate’s facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Addendum, nor does DHCS’:

- B.** If Business Associate is the subject of an audit, compliance review, or complaint investigation by the Secretary or the Office of Civil Rights, U.S. Department of Health and Human Services, that is related to the performance of its obligations pursuant to this HIPAA Business Associate Addendum, Business Associate shall notify DHCS and provide DHCS with a copy of any PHI or PI that Business Associate provides to the Secretary or the Office of Civil Rights concurrently with providing such PHI or PI to the Secretary. - F. *Patch Management.*** All workstations, laptops and other systems that process and/or store DHCS PHI or PI must have critical security patches applied, with system reboot if necessary. There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within 30 days of vendor release.
- G. *User IDs and Password Controls.*** All users must be issued a unique user name for accessing DHCS PHI or PI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within 24 hours. Passwords are not to be shared. Passwords must be at least eight characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed every 90 days, preferably every 60 days. Passwords must be changed if revealed or compromised. Passwords must be composed of characters from at least three of the following four groups from the standard keyboard:
- Upper case letters (A-Z)
  - Lower case letters (a-z)
  - Arabic numerals (0-9)
  - Non-alphanumeric characters (punctuation symbols)
- H. *Data Destruction.*** When no longer needed, all DHCS PHI or PI must be wiped using the Gutmann or US Department of Defense (DOD) 5220.22-M (7 Pass) standard, or by degaussing. Media may also be physically destroyed in accordance with NIST Special Publication 800-88. Other methods require prior written permission of the DHCS Information Security Office.

**Exhibit G, Attachment A**  
**HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)**

- I. **System Timeout.** The system providing access to DHCS PHI or PI must provide an automatic timeout, requiring re-authentication of the user session after no more than 20 minutes of inactivity.
- J. **Warning Banners.** All systems providing access to DHCS PHI or PI must display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only by authorized users. User must be directed to log off the system if they do not agree with these requirements.
- K. **System Logging.** The system must maintain an automated audit trail which can identify the user or system process which initiates a request for DHCS PHI or PI, or which alters DHCS PHI or PI. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only, and must be restricted to authorized users. If DHCS PHI or PI is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least 3 years after occurrence.
- L. **Access Controls.** The system providing access to DHCS PHI or PI must use role based access controls for all user authentications, enforcing the principle of least privilege.
- M. **Transmission encryption.** All data transmissions of DHCS PHI or PI outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI or PI in motion such as website access, file transfer, and E-Mail.
