## 2016 PREQUALIFIED CLINIC LIST

This is a list of clinics that are considered prequalified for the Medi-Cal EHR Incentive Program for the 2016 Program Year. The list is current as of 1/31/2017. Prequalification for most clinics is based on data submitted to OSHPD for 2015. For some Indian Health Clinics, prequalification is based on data submitted by Indian Health Services. If your clinic is on this list, but no NPI has been documented, please email [ClinicPrequal@dhcs.ca.gov](mailto:ClinicPrequal@dhcs.ca.gov) with your OSHPD ID# and the corresponding NPI. For other questions, please visit the "Group/Clinic FAQ" document found at our website [www.medi-cal.ehr.ca.gov](http://www.medi-cal.ehr.ca.gov).

Please note that the NPIs with an asterisk (\*) are prequalified as supergroups. If you have several groups/clinics that you want to prequalify as one supergroup, please send a request to [ClinicPrequal@dhcs.ca.gov](mailto:ClinicPrequal@dhcs.ca.gov). All prequalified supergroups must be validated by DHCS before the group creates their SLR account.
