Dear Mr. Morrill:

Thank you for the opportunity to submit SCAN Health Plan's response to the Department's Request for Information on Pilots for Beneficiaries Dually Eligible for Medi-Cal and Medicare.

As you know, SCAN has a long history of providing integrated services to dually eligible beneficiaries. From this experience, we have developed and implemented a range of systems, programs, and approaches for successfully serving this complex and vulnerable population.

We look forward to partnering with you in the design and implementation of innovative ways to serve dual eligibles more effectively and efficiently.

Attached please find our responses to the Department's RFI. Should you have questions or need to follow up, please contact Peter Begans, SVP Public & Government Affairs, at 202-330-2903 or Gretchen Brown, National Director Medicaid Development, at 562-308-2854. Thank you for taking the lead in this important endeavor.

Sincerely,
