

## **Home and Community Based Services**

**Services included in a comprehensive home and community-based system must include the full range of social and health supports that sustain health and independence. The following is a menu consumers and their care managers need to have available to implement an individualized plan of care:**

- In-Home Supportive Services
- Adult Day Health Care
- Respite – Caregiver Resource Centers
- Caregiver support – Caregiver Resource Centers
- Alzheimer’s Day Care Resource Centers
- Care coordination/management – Multi-Purpose Senior Services Program/Linkages
- Home health
- Personal care services
- Transportation
- Nutrition
- Housing alternatives
- Targeted Case Management
- Legal
- Home Modifications
- Assistive technology
- Independent Living Centers
- Transition services
- HCBS waivers (MSSP, NF/AH, AIDS, ALWPP)
- PACE (Program for All-Inclusive Care for the Elderly)
- Benefits counseling (e.g., HICAP)
- Employment counseling
- Regional Centers
