| Children’s Behavioral Health (Grid Issue #14) | **Katie A. Lawsuit** – provided overview of settlement agreement. State provides technical assistance and monitors implementation progress. State is working collaboratively to determine performance goals.  
**Out-of-County MH Services** - Draft document dated 2/20/15 developed in alignment with Katie A and CCR. Document elements include: Screening and Assessment; Authorization of services; Services (CCR and TFC); Payment and Finance; Capacity and Accountability. Next steps include: finalize the policy; continue to meet and established timelines for completion; implementation.  
**Clarification of coverage for “Autistic Spectrum Disorders”** (Grid Issue #14) - On July 7, 2014, CMS released guidance for coverage of Behavioral Health Therapy services for adolescent beneficiaries 0 to 21 years of age diagnosed with Autism Spectrum Disorders                                                                 |
| Compliance and Monitoring (Grid Issue #17, 30) | DHCS convened a collaborative workgroup with CBHDA to develop uniform measures; increased monitoring efforts before system reviews; considered increasing frequency of system and chart reviews for MHPs with higher rates of out-of-compliance; conducted Provider Certification training; analyzed Triennial MC Program Oversight Reviews data for 3 FYs; provided TA calls to assist MHPs; collected information from all the MHPs regarding 24/7 access, and mechanisms used to meet linguistic access requirements; and requested MHP submission of Quality Improvement Work Plans. |
## Strengthening – Accomplishments (cont.)

| Cultural Competence (Grid Issue #19, 20) | DHCS requires Mental Health Plans to identify, analyze and report disparities in MH services and develop a plan with strategies to address these disparities (Cultural Competency Plans). Plans were updated to include CLAS standards and changes to MHSA reporting requirements.  
CCP submission from counties anticipated for in Summer / Fall 2015 |
| DMC Waiver | 1115 Waiver: Standard Terms and Conditions (STC) were submitted to Centers for Medicare and Medicaid Services (CMS) November 2014.  
DMC-ODS Waiver – CMS 120 day review.; WAG meetings; Draft DMC county contract developed; Sample implementation plan developed; response from CMS provided |
| External Quality Review Organization (EQRO) | As of September 1, 2014, a new EQRO contract has been awarded to Behavioral Health Concepts (BHC) for DHCS Specialty Mental Health Services. The department is transitioning EQRO activities to BHC. The department is expecting only a few changes to the existing Mental Health Plan review process |
The department is currently working to strengthen SUD licensing regulations.

The Department has taken steps to strengthen DMC oversight and monitoring efforts in the current county contract and for FY 15/16 county contracts. Additionally the DMC-ODS waiver takes into account effective continuum of care services.

The Department is in the process of submitting a State Plan Amendment (SPA) to Centers for Medicare and Medicaid Services (CMS) to expand the available medication assisted treatments (MATs) in DMC programs to include buprenorphine and disulfiram. The SPA will be submitted at the end of March 2015. Currently Medi-Cal beneficiaries can access some MATs through their pharmacy benefits (see MHSUDS Information Notice Number 14-032).

The Department is in the process of submitting a SPA to remove limitations on individual counseling to allow individual counseling to occur on the telephone, at home visits and in the hospital. The SPA will be submitted to CMS at the end of March 2015.

The Department is the process of submitting a SPA to CMS, to change the group counseling size to two to 12. The SPA will be submitted at the end of March 2015.

Regulations went into effect June 2014 which describes Medical Director’s responsibilities for determining medical necessity as well as other licensed professionals in clinics.
