

## Additional Hardship Waiver Criteria

For those individuals that die on or after January 1, 2017, an additional Hardship Waiver Criteria has been added.

7. **The Estate subject to recovery consists of a homestead of modest value\***.

***Please submit:***

- Documentation to substantiate the value of the home ***as of the decedent's date of death***. Documentation shall be either a copy of the Inventory and Appraisal from the probate proceeding stating the value of the home as determined by a probate referee, or a formal appraisal completed by a licensed appraiser.

***Please Complete:***

- "Certification," Section G, on page 7.
- If criterion 7 is the only basis for the applicant's request, skip Sections D, E and F.

\*A homestead of modest value is one whose fair market value is 50% or less of the median price of homes in the county where the homestead is located, as of the date of the decedent's death.
