At the January Healthcare Reform (HCR) Committee meeting Jaye Vanderhurst updated the committee on the California's Behavioral Health Service Needs Plan and Needs Assessment. The HCR committee decided to revisit this agenda item at the April meeting as the Service Plan is due April 1, 2013. The Department of Health Care Services (DHCS) has asked for an extension in submitting the Service Plan. The HCR committee has invited a representative from DHCS to the April meeting to inform the committee of their progress to date.
