**WELFARE AND INSTITUTIONS CODE SECTION 4090-4091**

4090. (a) The State Department of Health Care Services shall establish, by regulation, standards for the programs listed in Chapter 2.5 (commencing with Section 5670) of Part 2 of Division 5. These standards shall also be applied by the department to any facility licensed as a social rehabilitation facility pursuant to paragraph (7) of subdivision (a) of Section 1502 of the Health and Safety Code.

   (b) In establishing the standards required by this section, the department shall not establish standards which in themselves impose any new or increased costs on the programs or facilities affected by the standards.

4091. Nothing in Section 4090 limits the authority of the State Department of Health Care Services to delegate the evaluation and enforcement of the program standards to a county mental health program when a licensed social rehabilitation facility has a contractual relationship with a county mental health program and the county has requested the delegation.

**CALIFORNIA CODES HEALTH AND SAFETY CODE SECTION 1520-1526.8**

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

   (b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

   ... 

   (D) Any staff person, volunteer, or employee who has contact with the clients.
(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repair person or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

(i) Members are not left alone with clients.

(ii) Members do not transport clients off the facility premises.

(iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, a person specified in subdivision (b) who is not exempt from fingerprinting shall obtain either a criminal record clearance or an exemption from disqualification pursuant to subdivision (g) from the State Department of Social Services prior to employment, residence, or initial presence in the facility. A person specified in subdivision (b) who is not exempt from fingerprinting shall be fingerprinted and shall sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or comply with paragraph (1) of subdivision (h). These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to prohibit the employment, residence, or initial presence of a person specified in subdivision (b) who is not exempt from fingerprinting and who has not
received either a criminal record clearance or an exemption from disqualification pursuant to subdivision (g) or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars ($100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars ($100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption from disqualification shall be maintained by the licensee and be available for inspection.

(3) Except for persons specified in subdivision (b) who are exempt from fingerprinting, the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that subsequent to obtaining a criminal record clearance or exemption from disqualification pursuant to subdivision (g), the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption from disqualification pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption from disqualification pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption from disqualification is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars ($100) per violation per day and shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption from disqualification on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption from disqualification pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption from disqualification pursuant to subdivision (g). The individual may seek an exemption from disqualification only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).
