

Therapeutic Foster Care (TFC) Service Model Parent Qualifications

Therapeutic Foster Care Service Model

Under the Therapeutic Foster Care service model, to qualify as a Medicaid TFC provider, a TFC parent must be approved as a TFC provider and approved as a resource parent by the TFC Agency¹. This means that TFC parents must:

- Meet and comply with all basic foster care or resource parent requirements as set forth in California Code of Regulations (CCR) Title 22, Division 6, Chapter 9.5 or Welfare and Institutions (W&I) Code 16519.5²; and
- Meet and comply with all requirements related to their role as a TFC parent which is outlined below TFC parents will have access to the support of a Child and Family Team (CFT).

Resource Family Approval (RFA)

Pursuant to Assembly Bill (AB) 403 (Statutes of 2015) all new family-based foster care providers will be required to meet Resource Family Approval standards starting January 1, 2017 and existing licensed/certified foster care providers will be required to complete the process by January 1, 2020.

¹ TFC Agency would need to be: 1) A California licensed Family Foster Agency (FFA) or comparable agency that at a minimum is able to certify TFC homes; and 2) A Medi-Cal Mental Health provider that has a contract with a County Mental Health Plan as a Medi-Cal provider (or a County Mental Health Plan that has been certified by DHCS) to provide both TFC services and a wide array of other community behavioral health services.

² Pursuant to AB 403 (Statutes of 2015) all new family-based foster care providers will be required to meet Resource Family Approval standards starting January 1, 2017 and existing licensed/certified foster care providers will be required to complete the process by December 31, 2019.
