<tr>
<td>Non-IEP/IFSP Assessments</td>
</tr>
<tr>
<td>- Health and mental health evaluation and education (EPDST also covered in Subsection 13d). Health and mental health evaluation and education includes parts of the EPSDT assessment such as assessment of nutritional status and nutritional education, vision assessment, developmental assessment, assessment of psychosocial status, health education and anticipatory guidance appropriate to age and health status which includes wellness counseling.</td>
</tr>
</tbody>
</table>

Authorization and Other Requirements*

LEA services are covered when provided to, or directed exclusively toward the treatment of, a Medicaid eligible student under 21 years of age.

Provider Qualifications

Services must be performed by providers who meet the applicable qualification requirements as described in 42 C.F.R. Part 440 who render services, within their scope of practice, as established in state law. Rendering providers of LEA services are licensed physicians/psychiatrists, licensed physician's assistants, licensed optometrists, licensed registered nurses, licensed credentialed school nurses, certified public health nurses, trained health care aides, registered school audiometrists, licensed clinical social workers, licensed psychologists, licensed educational psychologists, licensed marriage and family therapists (formerly licensed marriage, family and child counselors), credentialed school psychologists, credentialed school social workers, credentialed pupil service workers, licensed speech pathologists, licensed audiologists, credentialed language, speech and hearing specialists, licensed physical therapists, registered occupational therapists, and registered dieticians.

*Prior Authorization is not required for emergency service.

**Coverage is limited to medically necessary services.
Type of Service

4b Early and periodic screening, diagnosis, and treatment services, and treatment of conditions found.

Local Education Agency (LEA) Services (cont.)

Authorization and Other Requirements*

In addition, the following limitations apply:

- Credentialed school psychologists may provide psychosocial assessments, health education and anticipatory guidance, and psychological treatment services recommended by a physician or other licensed practitioner of the healing arts only to the extent authorized under Business and Professions Code Section 2909 and Education Code Sections 49422 and 49424 to Medicaid eligible students.

- Credentialed school social workers may provide psychosocial assessments, health education and anticipatory guidance, and psychosocial treatment services recommended by a physician or other licensed practitioner of the healing arts only to the extent authorized under Business and Professions Code Sections 4996, 4996.9, 4996.14 and 4996.15 and Education Code Section 44874 to Medicaid eligible students.

*IPT Authorization is not required for emergency service.

**Coverage is limited to medically necessary services.

#### Program Coverage**

- **4b** Early and periodic screening, diagnosis, and treatment services, and treatment of conditions found.
- **4c** Family planning services and supplies for individuals of child bearing age.
- **5a** Physician’s Services

#### Authorization and Other Requirements*

- Credentialed pupil service workers may provide psychosocial assessments only;
- Registered dieticians and nutritionists may provide assessments of nutritional status and nutritional education only;
- School health aides may provide trained health aide services only under the direct supervision of a physician, registered nurse or nurse practitioner or licensed vocational nurse and only to the extent authorized under federal law and the California Business and Professions Code.

LEAs providing LEA services may be subject to on-site review and/or audit by the Centers for Medicare and Medicaid Services and/or its agents, the single state agency and/or its agents or the Department of Education under an interagency agreement with the single state agency.

Prior authorization is not required, and informed consent must be properly obtained for all sterilizations. Sterilization of persons under 21 years of age is not covered.

Physician services do not require prior authorization except as noted below:
