SUBJECT: MENTAL HEALTH CONSUMER PERCEPTION SURVEY DATA COLLECTION – NOVEMBER 13–17, 2017

REFERENCE: WELFARE AND INSTITUTIONS CODE SECTION 5898 AND SECTION 3530.40 OF TITLE 9 OF THE CALIFORNIA CODE OF REGULATIONS

This Department of Health Care Services (DHCS) Information Notice provides guidance to Counties for the submission of data for the Consumer Perception Survey (CPS) Data Collection requirement. The goal of this survey is to collect data for reporting on the federally determined National Outcome Measures (NOMs). Reporting on these NOMs are required by the Substance Abuse and Mental Health Services Administration (SAMHSA), and receipt of federal Community Mental Health Services Block Grant (MHBG) funding is contingent upon the submission of these data. Counties are required to conduct the survey and submit data per §3530.40 of Title 9 of the California Code of Regulations (CCR).

Section 3530.40 of Title 9 of CCR requires that semi-annual surveys be conducted. Therefore, counties will be required to administer the CPS in May and November of each calendar year. The Fall 2017 survey period will take place from **Monday, November 13, through Friday, November 17, 2017**. DHCS has contracted with the California Institute for Behavioral Health Solutions (CIBHS) to scan and process the submitted forms and aggregate the data.

Once the survey forms have been completed and collected, they must be submitted to CIBHS no later than **Monday, December 4, 2017**. Persons at the county/local level responsible for data collection and reporting are asked to do the following:

Forms are available for Adults, Older Adults, Youth, and Family/Parents of Youth. Adult and Older Adult forms are available with or without *Quality of Life* survey items and counties may choose to use either type of form.
2. Administer the surveys during the collection period **November 13-17, 2017**.
3. Please mail the completed forms no later than **Monday, December 4, 2017**, to the following address:

Sacramento, CA 95818
Attention: Rikke Addis

Counties must take necessary steps to safeguard the integrity of personal identifiable information at all times, including secure packaging and shipping of survey forms. For more information on secure packaging and shipping, see item 8, Instructions for Consumer Perception Survey Data Collection.

Please note the forms must be printed directly from the PDF documents on the CIBHS website. Photocopied forms will not be accepted as they will not correctly scan. Other survey types or forms modified in any way by the counties to collect these data will also not be accepted as they cannot be aggregated with the standard forms.

For counties who have Teleform software and wish to print forms locally from their Teleform Designer software, Teleform form definition files (Version 8.2 and Version 10.6) will also be available on the CIBHS website. Counties who choose to scan/enter data locally must submit their data to DHCS in accordance with the data dictionaries available on the DHCS Information Technology Web Services (ITWS) website at <https://itws.dhcs.ca.gov/>. Data files should be uploaded to county DHCS ITWS folders no later than **5:00 pm on Wednesday, January 17, 2018**.

Data files received after that time will not be utilized in statewide reporting. Please notify one of the CIBHS staff below if your county plans to upload data files to the ITWS. Counties will be able to retrieve electronic data files of their survey submissions by logging onto the DHCS ITWS website. The data will be posted in county-specific folders for download by April 2018.
